PIN: 21AZ006200R0X00

EPIN: 81622P0004

The New York City Department of Health and Mental Hygiene (“DOHMH”) continues to seek proposals for the Justice-Involved Supportive Housing (Open-Ended) (JISH) Request for Proposals (RFP) through the PASSPort system.

Goals and Objectives of the RFP

This RFP is intended to procure and make available permanent supportive housing units for adults (18+); initially, DOHMH anticipates that the population would be comprised mainly of individuals who are frequently cycling through jail and shelter who have a mental illness and/or substance use disorder. DOHMH anticipates that the population matches may expand to include individuals who, in addition to having frequent contact with the criminal justice system and the homeless system, have also had frequent contact with the mental health treatment system. The goals of the JISH program are to:

- provide rapid access to supportive housing units in some combination of scattered or congregate housing for individuals with recent and frequent contact with the criminal justice system, the homeless services systems, and the mental health treatment systems who have a mental illness or substance use disorder
- provide case management services in order to link tenants to health and behavioral health services, as well as other resources in order to prevent further use of jail, shelter, or other emergency services
