As reported to the NYC Health Department by March 31, 2024.

In order to protect privacy and confidentiality, race or ethnicity categories have been combined due to the presence of a table cell representing 1 to 5 people with an underlying denominator of ≤500 people or a cell with a denominator of ≤100 people, as per corresponding year intercensal population estimates. The 'Other or unknown' race or ethnicity category includes Native American, Multiracial, and unknown groups.

As reported to the NYC Health Department by March 31, 2024.

In order to protect privacy and confidentiality, race or ethnicity categories have been combined due to the presence of a table cell representing 1 to 5 people with an underlying denominator of ≤500 people or a cell with a denominator of ≤100 people, as per corresponding year intercensal population estimates. The 'Other or unknown' race or ethnicity category includes Native American, Multiracial, and unknown groups.
