

NYC Food Standards for Meals and Snack Purchased and Served Example Product List

This list includes examples of foods that meet the [NYC Food Standards for Meals and Snacks Purchased and Served](#) (the Standards) updated in July 2025. The products listed do not contain any restricted ingredients in the Standards and meet category specific nutrient requirements. These foods can be purchased by agencies and contracted programs.

This product list is provided as an example only. City agencies and contracted programs may serve items listed below or other foods or similar products that meet the Standards. Inclusion on this list is not an endorsement of any product by the New York City Health Department or the City of New York. Always read Nutrition Facts labels to confirm a product meets the Standards. To request inclusion of additional products on this list, please contact [nycfoodstandards@health.nyc.gov](mailto:nycfoodstandards@health.nyc.gov).

This example list is broken down into the following categories:

**Grain-Based Items\* ..... 2**

    Bagels ..... 2

    Cereal ..... 2
