

Fire down below?

..... No matter who you are or what you are into,
NYC Sexual Health Clinics are here for you, with confidential services such as

HIV and STI
Testing and Treatment

PEP and PrEP

Contraception Services

Medication Abortion

Anyone 12 years and older can get care, regardless of immigration status or insurance coverage. Parental consent is not needed. Services are available on a walk-in basis — no appointment is necessary.

For up-to-date information on NYC Sexual Health Clinic services, locations and hours, call **311**, scan the QR code or visit nyc.gov/health/sexualhealthclinics.
