What Does Ending the Epidemic Mean?

NYC's Strategies and Programs

The New York City EtE Plan: Strategies to Address Disparities

1. Transform City STD clinics into:
 - a. “Destination Clinics” for Sexual Health Services
 - b. Efficient Hubs for HIV Treatment and Prevention
2. Launch PrEP and Repair the PEP Delivery System
3. Make NYC “HIV Status Neutral”
4. Support Priority Populations Using Novel Strategies
5. Take NYC Viral Suppression from Good to Excellent

Prevention=Treatment

PrEP

Protect yourself from HIV every day

PrEP is a daily pill that can protect HIV-negative people if taken every day.

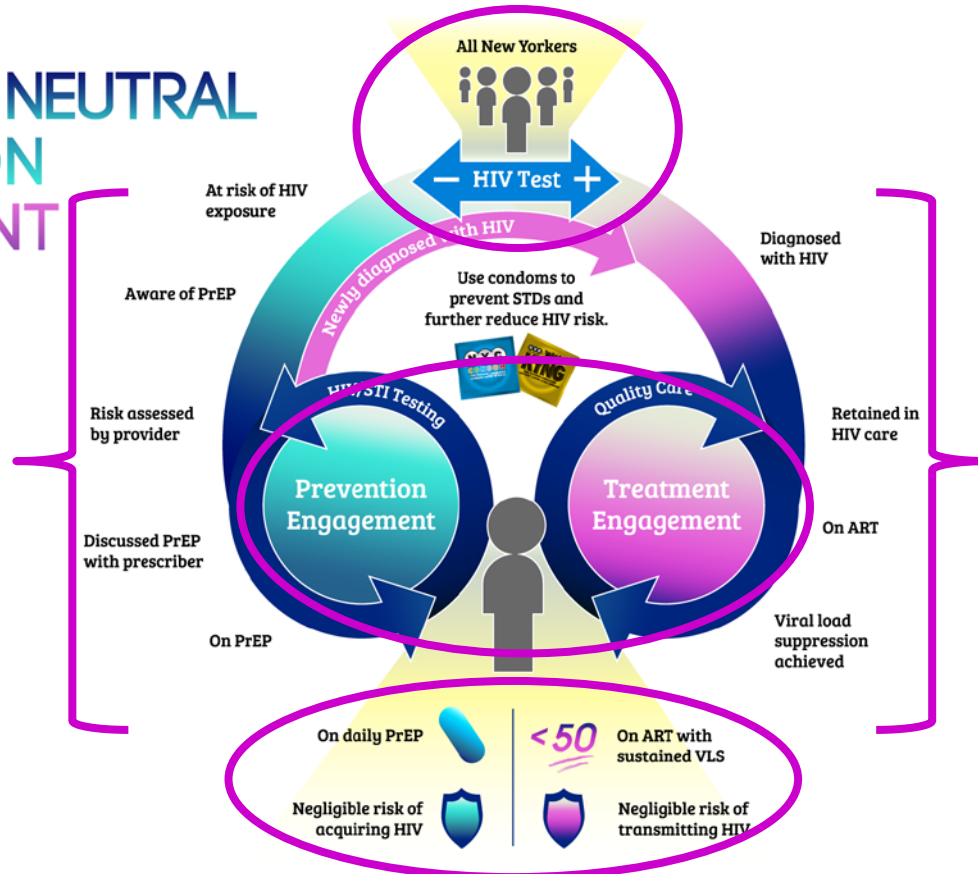

#EndAIDSNY2020

Treatment=Prevention

#EndAIDSNY2020

NEW YORK CITY'S HIV STATUS NEUTRAL PREVENTION & TREATMENT CYCLE

People at risk of HIV exposure **taking daily PrEP** and people with HIV **with sustained viral load suppression** do not acquire or transmit HIV.

The #PlaySure Kit

NYC PLAYS SURE

WHATEVER YOUR PLEASURE, WHEREVER YOU ARE, ALWAYS BE READY TO PROTECT YOURSELF FROM HIV AND STD

#PLAYSURE

NYC BRINGS YOU THE NYC PLAY SURE KIT

An easy way to carry the right protection combination that works for you.

PLAY SURE: Call 311 or visit nyc.gov/health to design the right HIV and STI prevention combination for you.
