STEPS TO ACCESS *HIV CARE*
***STATUS REPORTS (CSR)* GROUP**

Overview of Steps

1. Facility Medical Director
 - a) Identify and designate an individual who will be their site's CSR Designee.
 - b) If your facility has more than one affiliated site in separate locations, the medical director can choose to have a single CSR Designee for all affiliated sites or designate a specific individual for each site.

2. CSR Designee
 - a) Register for HIV Care Status Report via NYCMED
 - b) If you have NYCMED account, please follow the instruction as outlined starting with **Slide 3**.
 - c) If you do not have NYCMED account, *register at <https://a816-healthpsi.nyc.gov/NYCMED/Account/Login>* and you will have the ability to add on the HIV Care Status Reports application when you register. Once you click on the HIV Care Status Reports link, follow the instructions in starting at **Slide 4**

Steps to access HIV Care Status Reports Group

To CSR Designee,

We have received your request for access to NYCMED HIV Care Status Reports and to become the NYCMED HIV CSR Designee for your facility. In order to complete the processing of your request to access HIV CSR as your site's CSR Designee, please

Review the *CSR Security Use Policy form* (attached) - this document describes security terms, conditions and responsibilities to which participating facilities must agree in order to use the HIV CSR system.

Complete and submit the *CSR Agreement and Affiliates form* (attached) – this is **required** to complete the CSR registration process.

Upon recipient and review of the CSR Agreement and Affiliates form, a second and final email will be sent that your request for access has been completed.

Sincerely,

HIV Care Status Unit

Bureau of HIV/AIDS Prevention and Control

New York City Department of Health and Mental Hygiene
