## New York City Early Intervention (NYC EI) Program Referral Card

**Child's name** (print name): \_\_\_\_\_

**Referred by** (print name): \_\_\_\_\_

The NYC EI program provides services and support to children under the age of 3 who are not meeting developmental milestones. Some examples include having difficulty talking, sitting up, walking, playing or understanding directions.

EI services are confidential, voluntary and free\* regardless of income, immigration or insurance status.

\*If you have health insurance or Medicaid, it will be used to pay for EI services at no direct cost to you.
