

## Support Services Resource List for the Haitian Community

In response to Hurricane Henri, the NYC Department of Health and Mental Hygiene has put together the following resources list to support members of the Haitian community in New York City. Please feel free to contact organizations directly for times and additional information or to schedule an appointment.

This list is neither exclusive nor exhaustive. The NYC Health Department is providing this information to assist New Yorkers in locating services and general information but does not make any representation or warranty concerning the quality or accuracy of the services provided by these identified establishments.
