* Exposure Assessment and Exposure Time must follow manufacturer's recommended exposure schedule for the tanning bed the patron will use (on label or in manual). The exposure time may be less, or no greater than manufacturer recommendations taking exposure assessment and skin type into account Exposure Assessment levels correspond to device exposure schedule columns, for example:

	Level 1 / Week 1	Level 2	Level 3	Level 4	Subsequent Maximum
I Sensitive Skin					
II Light Skin					
III Normal Skin					
IV Dark Skin
