Health Insurance and Care Options for Immigrants

GetCovered**NYC**

You and your family may qualify for low- or no-cost health insurance and care options regardless of your immigration status and ability to pay.

You may qualify for low- or no-cost health insurance through the New York State of Health Marketplace if you are a:

- Permanent resident (green card holder)
- Refugee or asylee
- U or T visa holder (for victims of crime or trafficking)
- Employment authorization card holder
- Deferred Action for Childhood Arrivals (DACA) recipient

Applying for health insurance through the Marketplace will not affect your eligibility to become a permanent resident, a U.S. citizen or a sponsor to your relative.

You may need to show one or more of the following documents to apply:

- Permanent Resident Card (Green Card/I-551)
- Naturalization Certificate
- ORR Verification of Release Form (ORR UAC/R-1)
- Employment Authorization Card (I-766)
- Arrival/Departure Record (I-94 or I-94A)
- Passport

Regardless of immigration status:

- Children 19 or younger can get low- or no-cost health insurance through Child Health Plus.
- Pregnant women may qualify for free prenatal, delivery and postnatal care.
- Immigrants who do not qualify for health insurance through the Marketplace can still get insurance outside the marketplace and may still be eligible for employer-sponsored insurance.
- With or without insurance, low- or no-cost health care is available through NYC Health + Hospitals. See the back of this fact sheet for locations.
