

My Self-management Goal for a Healthy Pregnancy

Taking small steps can make a big difference in having a healthy pregnancy. Start by choosing one of the following goals. Work together with your health care provider to create a plan to reach that goal.

- Be physically active by moving more and sitting less.
- Eat a healthy diet that is high in fiber and calcium.
- Check my blood pressure regularly.
- Spend time with people who support me.
- Check my blood sugar as needed.
- Find out what vaccinations I need and get them.
- Know the warning signs of complications during and after pregnancy.
- Cut out alcohol, tobacco, cannabis and other drugs while pregnant.
- Other: _____

Remember, small steps lead to success.
