

Local Law 37 of 2005 as amended by Local Law 56 of 2021
Changes to Pesticides Listed as Carcinogens or Developmental Toxicants since May 24, 2021

Prepared by the NYC Department of Health and Mental Hygiene,
Bureau of Environmental Surveillance and Policy

March 31, 2025

The New York City Department of Health and Mental Hygiene (Department) submits this report pursuant to Local Law 37 of 2005, as amended by Local Law 56 of 2021, which, among other mandates, requires the Department to report annually on changes since May 24, 2021, (previously April 1, 2005) to certain lists of pesticides; and on agency use of pesticides subject to these changes.

1. U.S. Environmental Protection Agency (EPA) List of Carcinogenic Pesticides

No chemicals were added to or removed from the EPA List of Carcinogenic Pesticides since the date of the Department's 2023 annual report submitted in 2024.

2. California Developmental Toxicant List

No chemicals were added to or removed from the California Developmental Toxicant List since the date of the Department's 2023 annual report submitted in 2024.

3. World Health Organization International Agency for Research on Cancer (IARC) Carcinogen List

No chemicals were added to or removed from the IARC List since the date of the Department's 2023 annual report submitted in 2024.
