NYC Health is committed to protecting your privacy and the confidentiality of your health information. This notice describes how we collect, use, and disclose your health information.

You can contact us at (212) 312-1234 or 347-396-6007, or email privacyofficer@health.nyc.gov.

Protected health information (PHI) is information that identifies you and relates to your past, present, or future physical or mental health, the provision of health care to you, or the payment for health care. PHI is protected under the Health Insurance Portability and Accountability Act (HIPAA).

Under HIPAA, we are required to protect your PHI. We will not disclose your PHI to anyone else without your permission, except as required by law.

NYC Health is committed to protecting your privacy and the confidentiality of your health information. This notice describes how we collect, use, and disclose your health information.
