As a member of Healthy NYC, you are invited to take the Food Access Survey. The survey tells us if New Yorkers can get the food they need, and how this may impact health and well-being. Your experiences are important and can help the City develop programs to benefit you and your family.

There are two ways to participate in June.

Online

- Go to HealthyNYCSurvey.com/food, or
- Text FOOD to 844-464-0032 to receive a link to the survey on a smartphone,*
or
- Scan the QR code at the bottom of the page with a smartphone

Phone

- Online is the quickest way to participate. If you cannot take the survey online, call 888-692-0023, weekdays from 1 p.m. to 5 p.m., to take the survey over the phone or to make an appointment.

To start the survey, **enter the unique participant ID provided**. If you do not know your participant ID, contact us at HealthyNYC@health.nyc.gov or 888-692-0023.
