

# Recent West Nile Virus Activity\* in Mosquito Populations of New York City, by Zip Code, September 12 to October 1, 2021

Date: 10/1/2021

**Legend**

 West Nile virus detected

Source: West Nile virus surveillance data, Department of Health and Mental Hygiene, New York City

\* The lack of detection of West Nile virus in a zip code does NOT mean that West Nile virus is not present. All New Yorkers should take precautions to avoid mosquito bites during peak mosquito season, June through October.
