2022 Community Needs Assessment Neighborhood Development Area (NDA) Profile

Select the Neighborhood Development Area (NDA) Below

BK NDA 5

In partnership with the Neighborhood Advisory Boards, the CABs and NYC Department of Youth and Community Development conducted the tri-annual Citywide Community Needs Assessment from the summer to the winter of 2022. The collaborative collection effort involved over 232 surveyors who collected over **28,000** survey responses.

This document includes the 2022 CNA findings of the various communities throughout New York City.

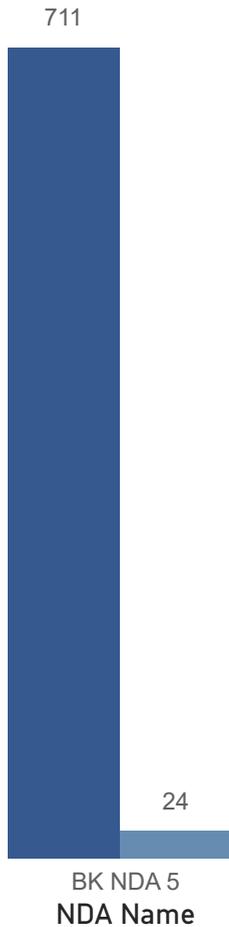

FY 23 Community Needs Assessment Findings:
NDA Survey Respondents Reason For Need Not Met

NYC Department of Youth & Community Development

NDA

BK NDA 5

Number of NDA Survey Respondents

405

We asked respondents to identify the reasons they were unable to access needed programs and services. Below are the barriers they identified.

Barriers to Accessing Needed Services

- Cost too much
- Did not know where to go
- Did not know help was available
- Turned away or waitlisted by program
- Not provided in my language
- Poor quality of service
- Program not offered during a time I could go
- Program was too far away
