The Summer Youth Employment Program (SYEP) is the nation's largest youth employment program, connecting NYC youth between the ages of 14 and 24 with career exploration opportunities and paid work experience each summer. Participants have the opportunity to explore career pathways, build work readiness skills, and engage in learning experiences that ensure they are prepared for jobs of the future.

Hiring young people through SYEP is a direct investment in the economic development of New York City. Connecting with diverse and local talent helps employers continue to build a workforce that reflects our communities and allows companies and organizations large and small to engage as leaders with the next generation.
