

Project # SANDRESPC | Borough: Manhattan | Issue Date: 10/18/2024

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Sidewalk Closure on South Side of Water St. between Gouverneur Slip E. & Jackson St. Starting October 21st, 2024, Ongoing for approximately 2-3 weeks

Due to ongoing construction activities, a portion of the sidewalk on the south side of Water St. will be temporarily closed. To minimize the impact on the community, the contractor will provide an access point near 645 Water St., allowing pedestrians to cross to the other side of the street safely. Please follow all signs and directions placed on site to ensure safety.
