

# COMMUNITY ADVISORY GROUP (CAG)

Meeting #3

# HIGHLIGHTS

- **LAUNCHED:** updated website, social media, and web-based public inquiry tool (slide 45)
- **Pre-construction and Construction Phase Updates** (slide 10)
  - **Project Area 2 (PA2)** (slide 12)
  - **Project Area 1 (PA1)** (slide 21)
  - **Parallel Conveyance (PC)** (slide 30)
- **Community Outreach During Construction and Project CCL** (slide 34 and 46)
- **Section 3 and M/WBE more information on opportunities** (slide 36)

# **WHAT ARE THE STEPS IN BRINGING A PROJECT FROM DESIGN TO CONSTRUCTION?**

# PROCUREMENT & CONTRACT REGISTRATION

Once the design is finalized the **Program Manager (PM)** creates the **Procurement Package** for the contractors to bid on.

The procurement process time varies by contract. **Contractors submit proposals** which are evaluated by the PM Team & DDC.

The **Apparent Lowest Bidder** is selected and then begins the registration process below.

## REGISTRATION REVIEW & APPROVALS:

# NOTICE TO PROCEED (NTP) & MOBILIZATION

Contractor to **propose final schedule & phasing plans** to DDC and PM Team.

Coordinate with **City agencies** for various approvals.

Submit and finalize **construction environmental plans**: Health & Safety, Noise Control, Dust Control, Erosion and Sediment Control, Traffic.

Submit **material cut sheets and samples**. Once approved the contractor can order the materials for the project.

Prepare field offices, construction fencing, and similar mobilization preparation on site.

## ENVIRONMENTAL PLAN APPROVALS:

## SUBMITAL REVIEW & APPROVALS:

# SITE PREPARATION

The contractor will begin to order materials and start preparing the site for construction, completing the following activities:

During this phase the contractor will also **install and test the environmental monitoring equipment.**

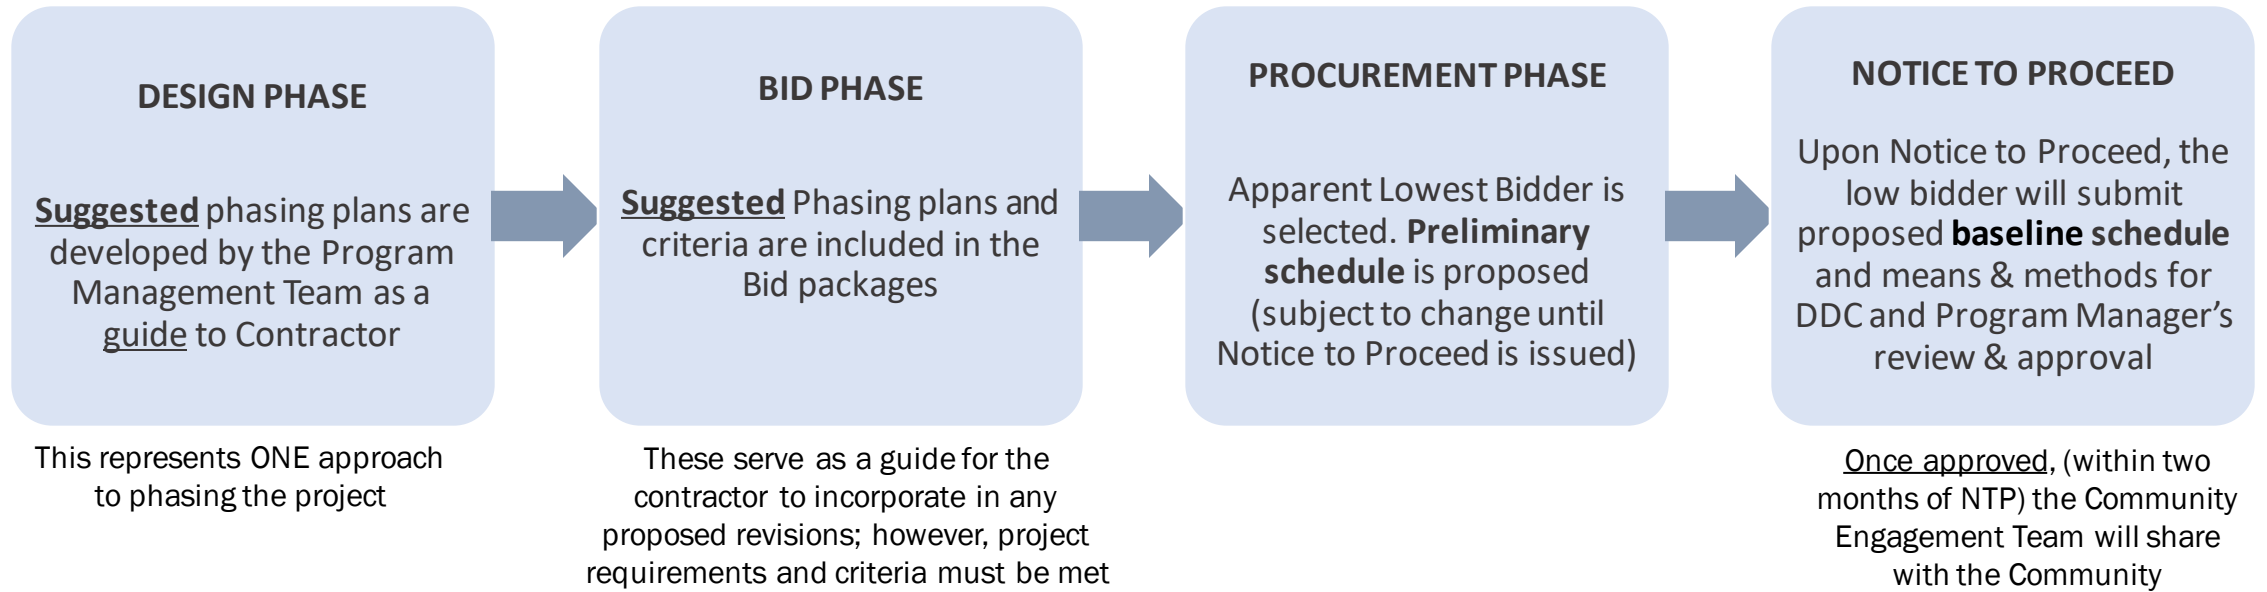

# CONSTRUCTION

Major construction will begin once agency coordination is complete, and, the construction plans / schedule / phasing plans are finalized:

# CONSTRUCTION SCHEDULE & PHASING PROCESS

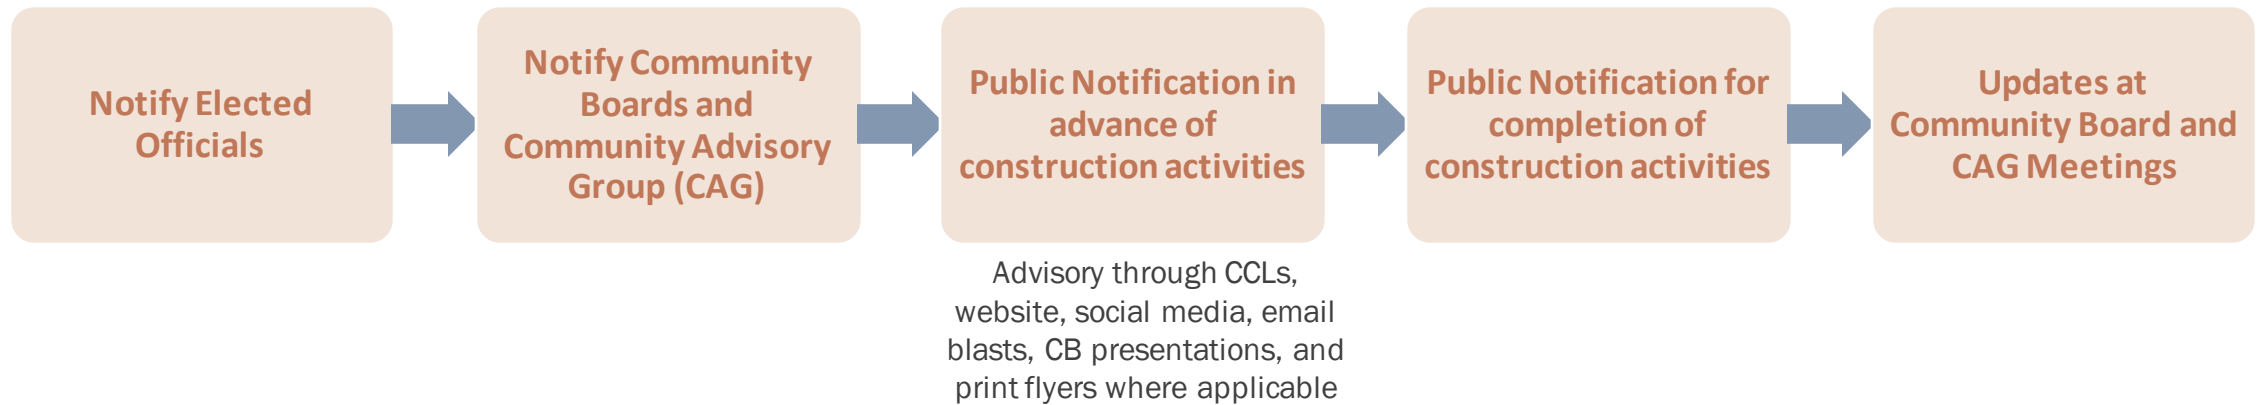

# COMMUNITY OUTREACH DURING CONSTRUCTION

Stakeholder and community outreach activities will continue throughout the construction phase, to alert you of upcoming construction work, advisories, completion of milestones and activities, as well as community engagement events:

## COMMUNITY OUTREACH PROCESS:

# CONSTRUCTION SCHEDULE & PROCESS

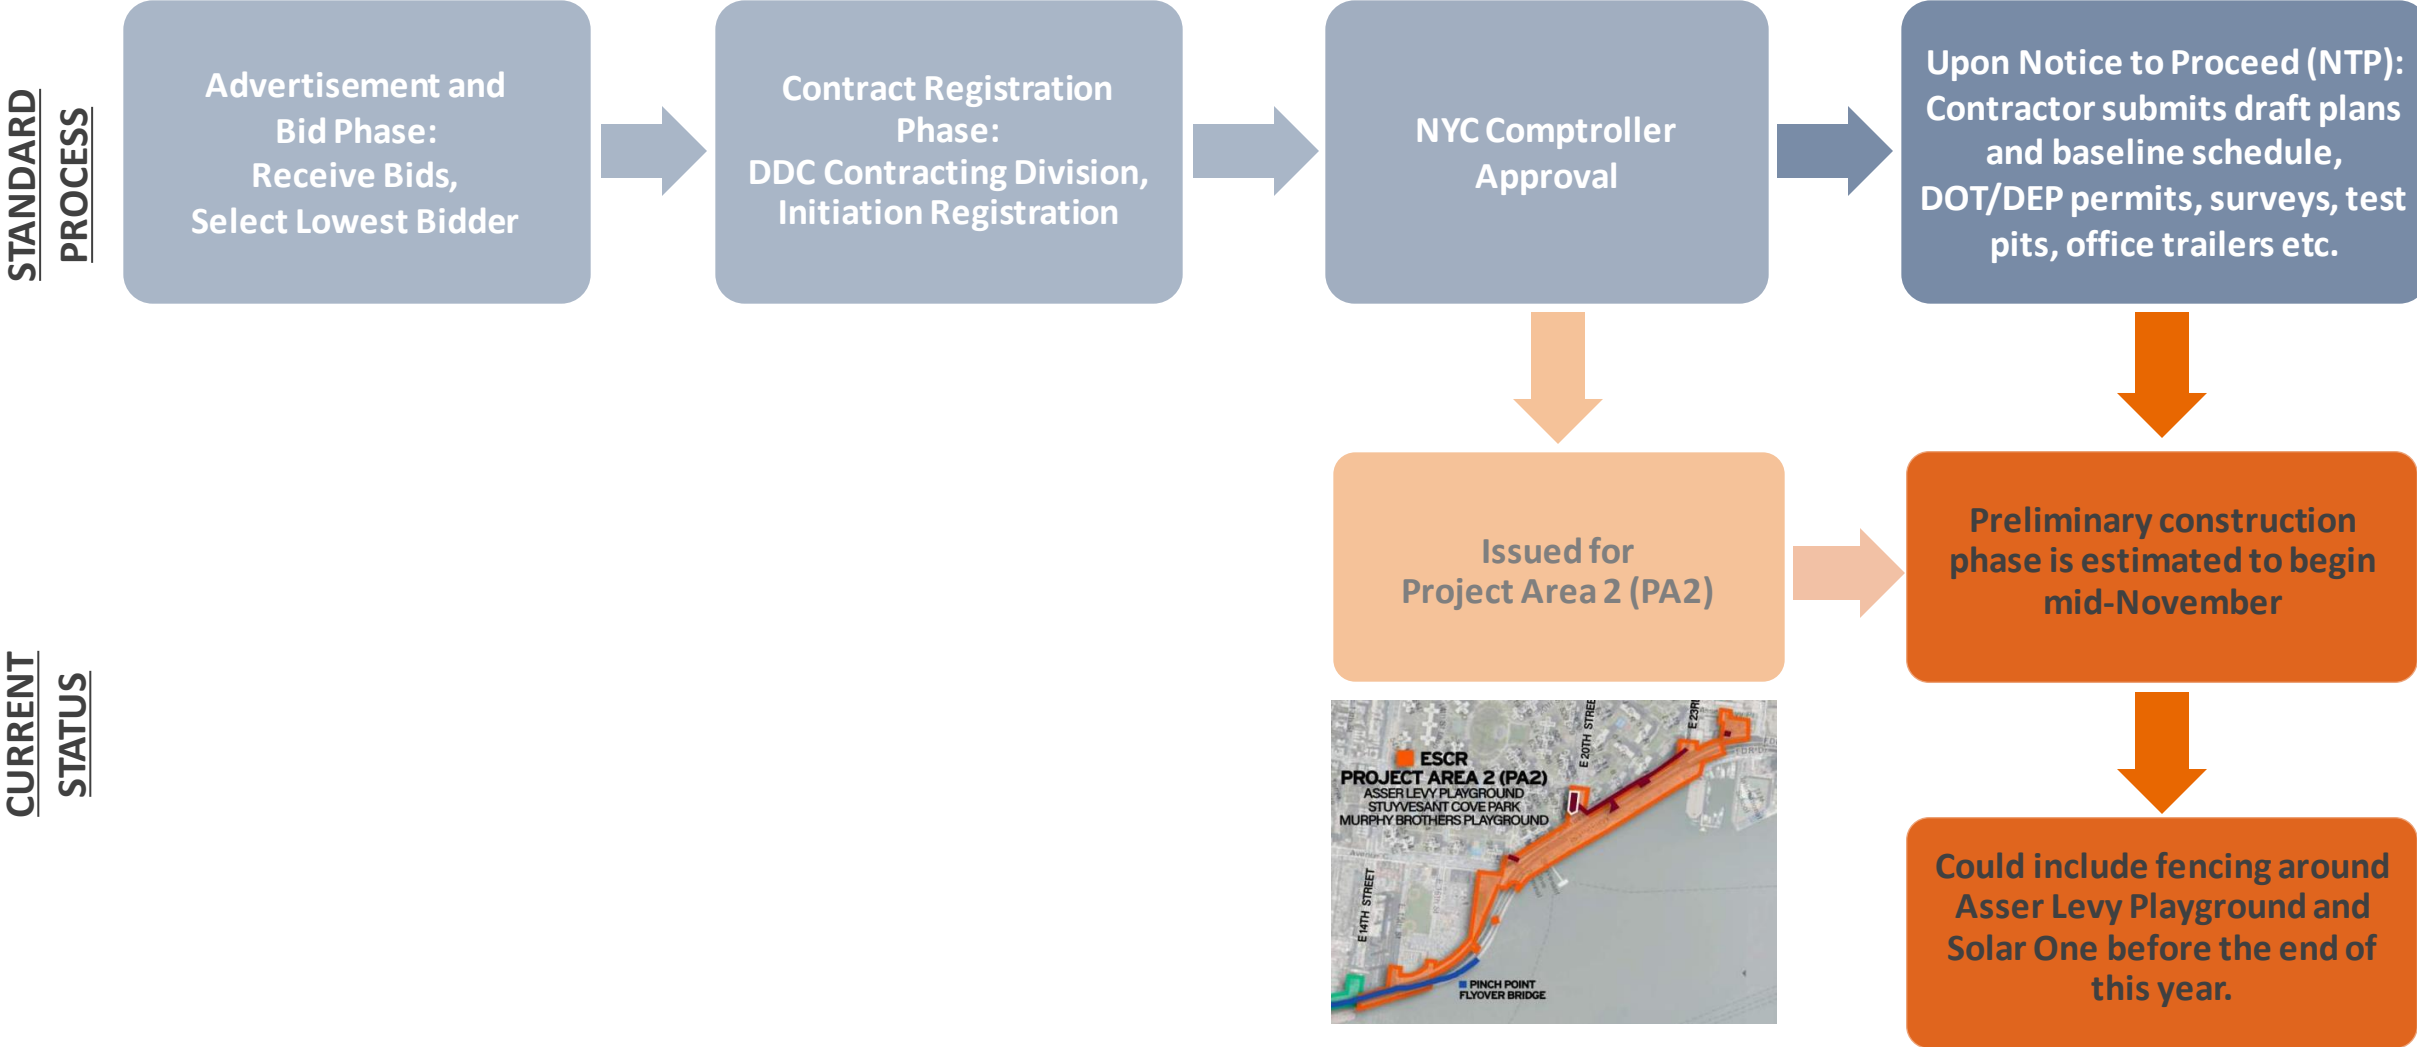

UPDATE: PA2 CURRENT

# PROJECT AREA 2 (PA2) PHASED CONSTRUCTION

## PA2 CONSTRUCTION CRITERIA

This plan will be reviewed and approved by DDC Construction to ensure the criteria is met:

- Allows access to Asser Levy Park in 2020, Stuyvesant Cove Park in 2021, and Murphy Brothers Playground in 2022 to **minimize park closures**
- Stuyvesant Cove Park construction to be phased to keep **half of the park open** to the community
- Open park areas during construction will have **supported amenities**
- **Safe pedestrian access** is maintained to open areas during phased construction

# PROJECT AREA 2 (PA2) PHASED CONSTRUCTION

## CONSTRUCTION STEP-BY-STEP

**July 2020:** Contractor awarded Contract

**October:** Comptroller registration  
(Construction Contract and PM/CM/REI)

**mid-November:** Contractor Notice to Proceed (NTP)  
letter expected

**mid-November:** Contractor to prepare submittals, field office, pre-construction report (prior to construction), draft project schedule, and draft environmental monitoring plans; DDC to review/approve

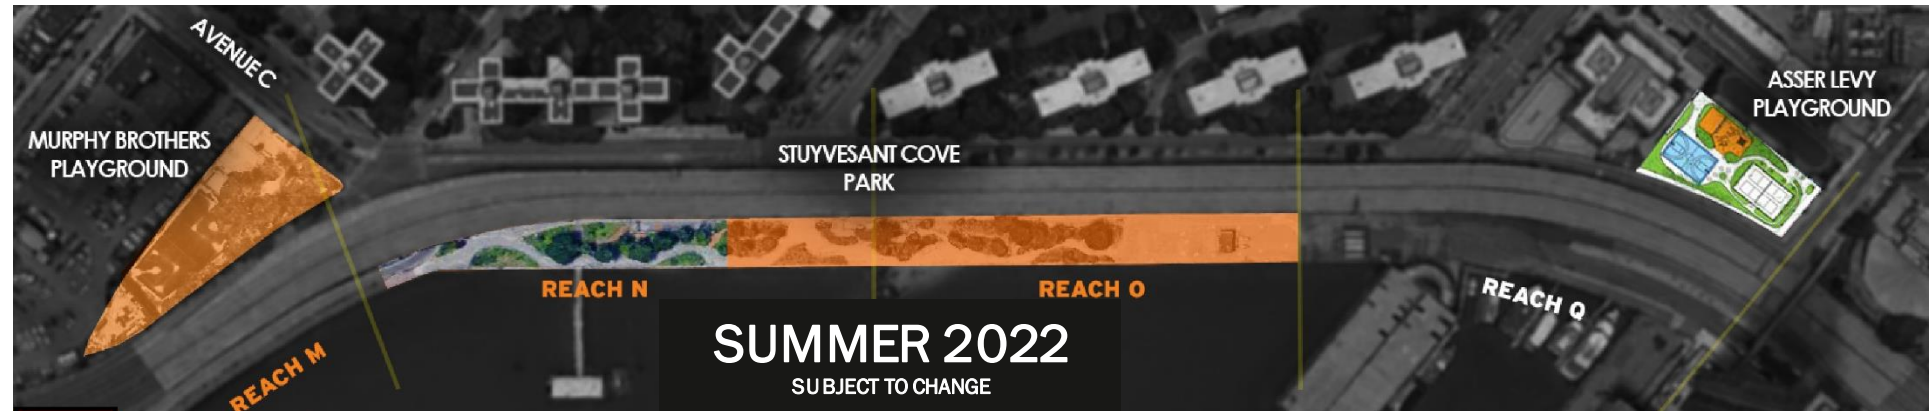

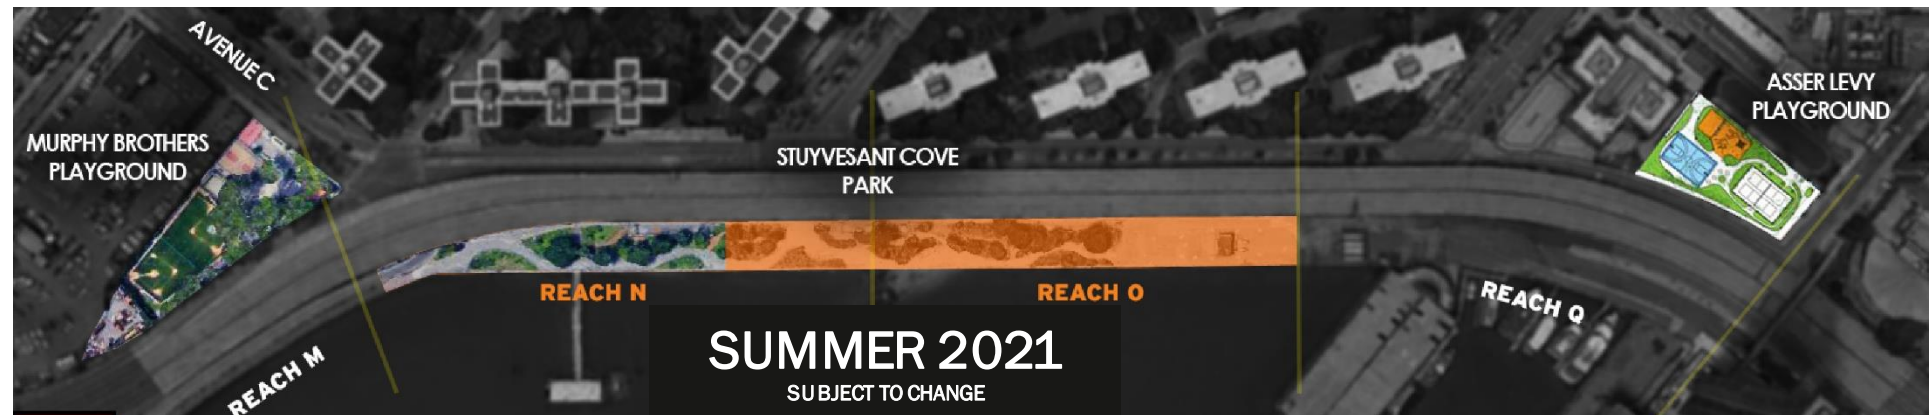

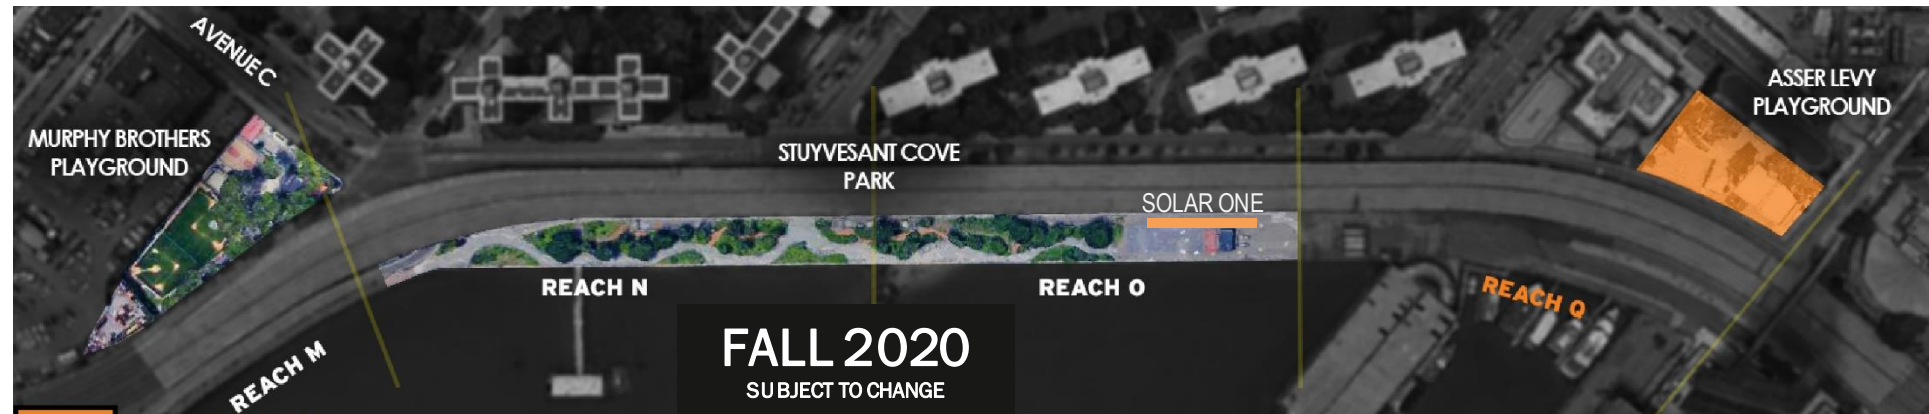

**Mid-November - December:** light construction activities expected upon DDC approval, such as: exploratory test pits, locating existing utilities and infrastructure, tree pruning and protection, construction fencing, some demolition activities, etc.

**December 2020 – January 2021:** major construction activities expected: install of the drilled shafts, excavation for utility removals, demolition, etc.

# PROJECT AREA 2 (PA2) Suggested Phasing

DRAFT from Jan. 2020  
CB3 Parks Committee  
Meeting

DDC and HNTB/LiRo teams are currently working with the contractor to determine the detailed schedule for Asser Levy Playground (+amenities) and Solar One area

# PROJECT AREA 1 (PA1) COMPLETION

# **PARALLEL CONVEYANCE (PC)**

## **TIMELINE**

# PARALLEL CONVEYANCE (PC)

Spring 2021 (Tentative: upon NTP and approval of plans; details will be provided)

# PARALLEL CONVEYANCE (PC)

Optimizes the existing drainage infrastructure and stormwater system. The PC work consists of:

- **Sewer upgrade** work within the city streets
- Two **interceptor gates, two buildings**, and several deep manhole excavations
- Potential street and/or sidewalk closures, detours, and watermain shutoffs

PC

Sewer upgrades will help protect the community from floods that result from **heavy rainfall** during storm events

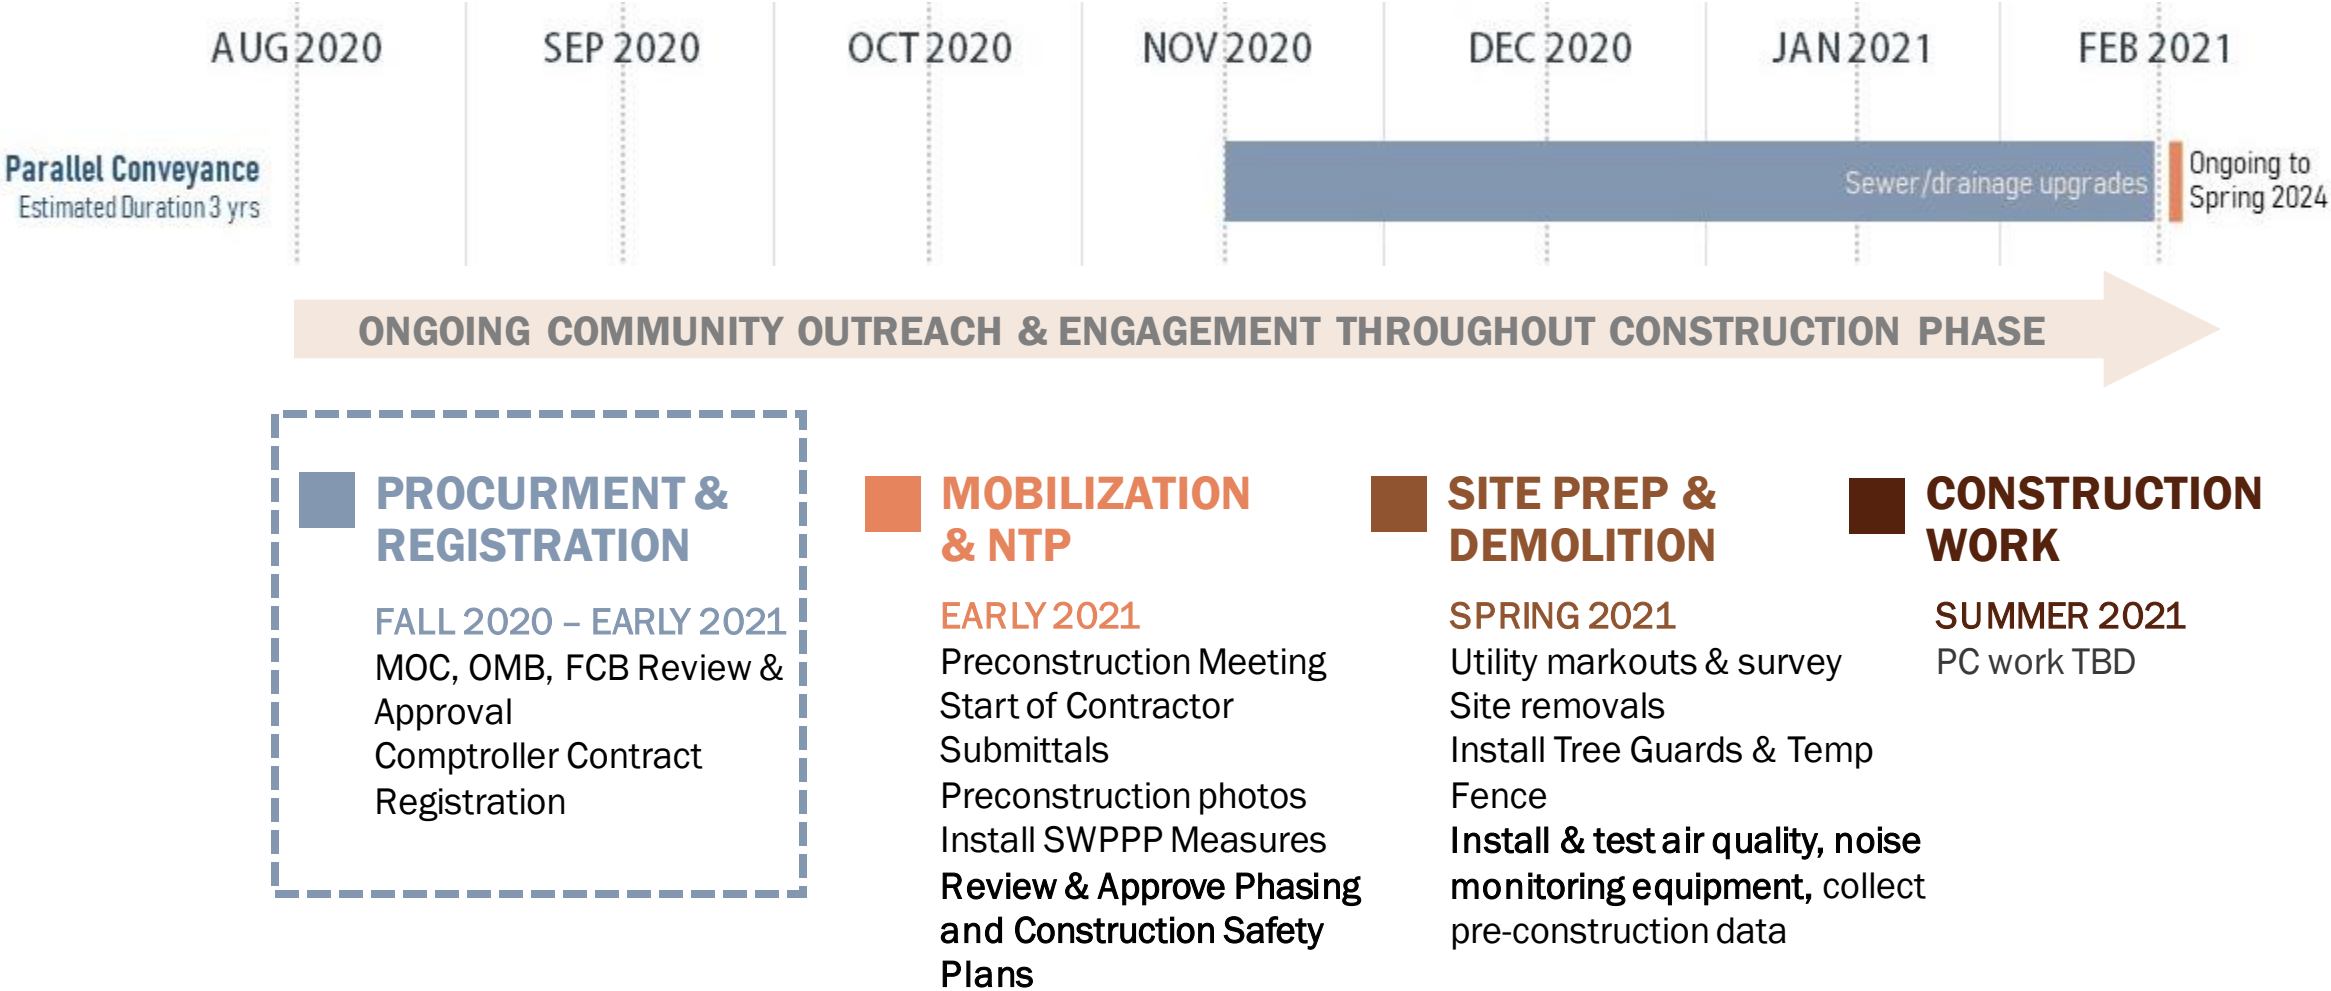

PA1  
&  
PA2

Flood protection system will help protect the community from **coastal/tidal** flooding and saltwater

NOVEMBER 2020

# **SECTION 3 AND M/WBE**

## **REQUIREMENTS & GOALS**

# SECTION 3 | M/WBE

## Minority/Women Owned Business Enterprises

**GOAL:** Maximize M/WBE utilization rates and will work to attain a 25% utilization rate

## HUD Section 3 Goals

**GOAL:** 30% of all new hires on applicable projects will be Section 3 individuals; and

**GOAL:** 10% of the total dollar amount of all contracts' building trades work will be with Section 3 Business Concerns; and

**GOAL:** 3% of the total dollar amount of all other applicable contracts per calendar year will be with Section 3 Business Concerns.

## Qualifications for Companies to be Considered a Section 3 Business Concern

- 51% owned by Section 3 individuals/NYCHA residents
- 30% workforce is Section 3 individuals
- 25% of subcontracts awarded to Section 3 Business Entity

## 2019 Income Requirements

- Individual: \$59,750
- Maximum income ranges by households (HH)  
HH 2: \$68,300 to HH 8: \$112,700

# SECTION 3 | M/WBE

## Areas of Opportunity

- Program Management (PM) Team
- General Contracting (GC) Team
- Community Inclusion and Outreach

## Potential Positions & Services

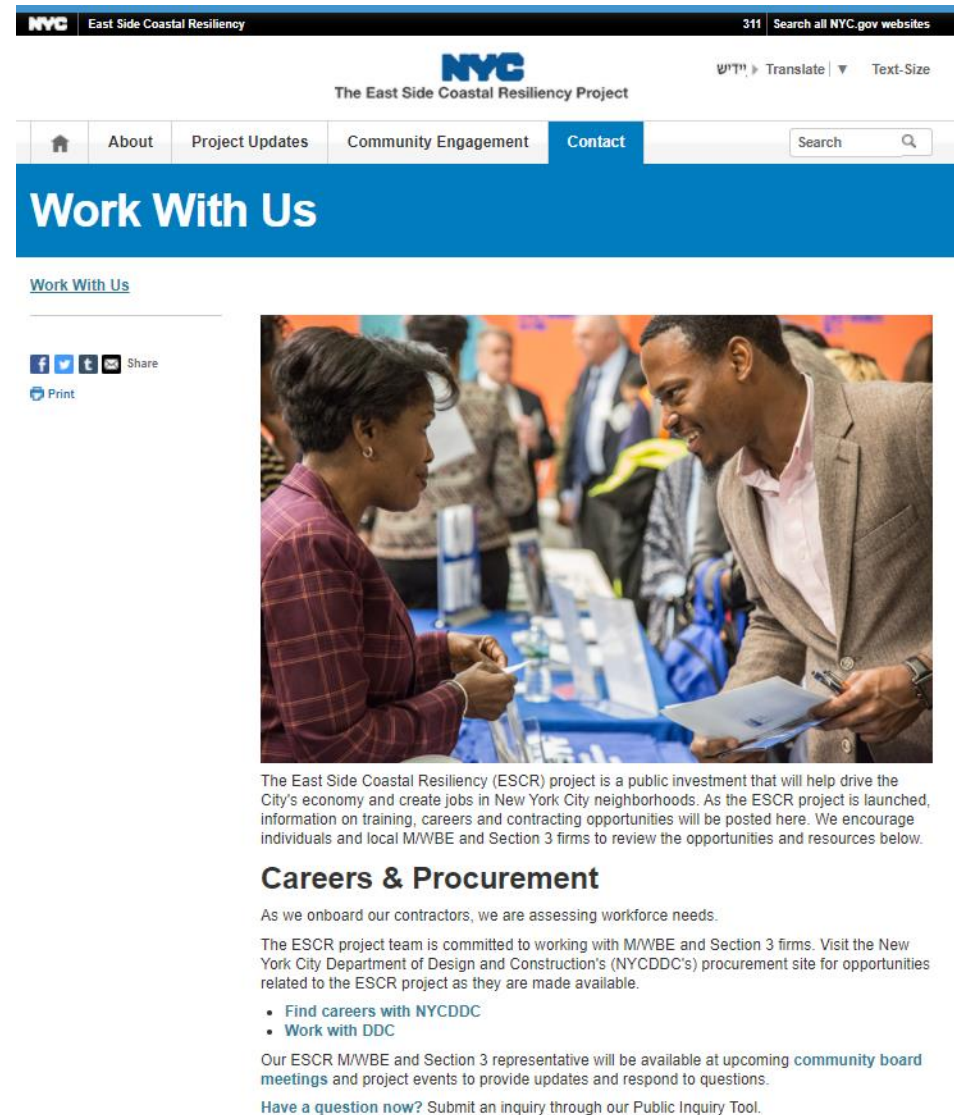

- Support Staff
- Supplies and vendor services
- Equipment
- Training & Resources

## Strategies

- Industry Outreach: Coordinate with other industry outreach events; DDC MWBE, SBS, NYS MWBE Forum, NYCHA, etc.
- Communication: Provide hiring opportunity's to local organizations, NYCHA REES, NYC Department of Small Business Services Workforce 1, and elected officials.
- ESCR Website to link to opportunities and submit qualifications. Visit for resources and materials.
- Events: webinars, seminars and events for matchmaking opportunities, OSHA, PASSport, access to capital, insurance bonding, eligibility for MWBE certification and Section 3 Business registration
- Monitor: Monthly internal monitoring

# SECTION 3 | M/WBE RESOURCES

- Visit the 'Work with Us' page under the 'Contact' Tab for MWBE and Section 3 Resources
- <https://www1.nyc.gov/site/escr/contact/work-with-us.page>

The screenshot shows the NYC East Side Coastal Resiliency Project website. The header includes the NYC logo, the project name, and a search bar. The navigation menu has tabs for Home, About, Project Updates, Community Engagement, and Contact. The 'Contact' tab is selected, leading to the 'Work With Us' page. The page features a large blue banner with the text 'Work With Us'. Below the banner, there is a photo of a woman and a man smiling and looking at a laptop. To the left of the photo are social media sharing icons (Facebook, Twitter, LinkedIn, Email) and a 'Print' button. Below the photo, there is a paragraph of text about the ESCR project, followed by a section titled 'Careers & Procurement'. This section includes a paragraph about workforce needs, a paragraph about the project team's commitment to M/WBE and Section 3 firms, and two bullet points: 'Find careers with NYCDDC' and 'Work with DDC'. At the bottom, there is a paragraph about community board meetings and a link to a public inquiry tool.

The East Side Coastal Resiliency (ESCR) project is a public investment that will help drive the City's economy and create jobs in New York City neighborhoods. As the ESCR project is launched, information on training, careers and contracting opportunities will be posted here. We encourage individuals and local M/WBE and Section 3 firms to review the opportunities and resources below.

### Careers & Procurement

As we onboard our contractors, we are assessing workforce needs.

The ESCR project team is committed to working with M/WBE and Section 3 firms. Visit the New York City Department of Design and Construction's (NYCDDC's) procurement site for opportunities related to the ESCR project as they are made available.

- Find careers with NYCDDC
- Work with DDC

Our ESCR M/WBE and Section 3 representative will be available at upcoming community board meetings and project events to provide updates and respond to questions.

Have a question now? Submit an inquiry through our Public Inquiry Tool.

# LAUNCHED: WEB-BASED PUBLIC INQUIRY TOOL

Under 'Contact Us' page of ESCR website

- Multi-lingual
- Interactive and user-friendly
- Inquiries reach CCLs directly
- Sign up for project notifications
- Site-specific commenting
- Create user profile for repeat use of tool

The screenshot displays the 'East Side Coastal Resiliency (ESCR)' public inquiry tool. At the top, the ESCR logo is visible alongside a 'Select Language' dropdown menu. The main heading reads 'East Side Coastal Resiliency (ESCR)', followed by a descriptive paragraph: 'The ESCR Project is a coastal protection initiative aimed at reducing flood risk due to coastal storms and sea level rise on Manhattan's East Side from Montgomery Street to East 25th Street. The project will strengthen 2.4 miles of urban coastline against floods and rising sea levels while providing social and environmental benefits to the community.'

Below the text is a section titled 'Open Project Documents' with a dropdown arrow. The first step, '1) Please enter your comment below.', includes a large text input area and a green 'Required' label. A note below the input area states: 'Please do not place any personally identifiable information (name, phone, or email) within your comment.'

The second step, '2) Select any of the following topics that apply to your comment: (Select up to 3)', features a grid of topic buttons: Accessibility/ADA, Buildings/Bridges, Bicycle, Communications/Outreach, Construction Site, Environmental, Flood Protection Systems, Noise, Dust, Vibration, Parks & Recreation, Pedestrian Access, Pest Control, Planting/Trees/Wildlife, Resiliency, Safety, Sidewalk & Street Closures, Sustainability, Traffic, Transportation, Other, and Utilities.

The third step, '3) Do you have a specific question or concern that you would like a response to?', includes a checkbox labeled 'Send me a response'.

The fourth step, '4) Browse our project map to zoom and pan around, and if applicable, add a pin by tapping the location that relates to your comment...', includes instructions on how to use the map. Below the text is a map of the East Side of Manhattan, showing the project area with labels for REACH Q, REACH O, REACH N, REACH M, and REACH L. The map includes a search bar, a home button, and zoom controls.

# MEET YOUR CCL (Community Construction Liaison)

## Nadine Harris

- Has worked alongside numerous notable New York City clients such as the **Department of Design and Construction**, Department of Transportation, Department of Environmental Protection, Department of Health, Department of Sanitation and Private Utility Organizations
- **DDC experience includes:** Installation of Perimeter Security Measures-Group A Sites, Times Square Pedestrian Protection Emergency Contract, Trunk Main Connection to Shaft 25B, Reconstruction of School Safety, Citywide, Reconstruction of Fulton Street from Clinton Avenue to Bedford Avenue, and others.
- Will **keep the community informed** about the progress of the project via regular bulletins, reports, newsletters and other notifications

*“My goal is to ensure that all stakeholders are well-informed of the project at every phase. I am your go-to person for ANY and Everything you need to know about this project.” – Nadine Harris*

Construction on the East Side Coastal Resiliency project will begin in Fall 2020. Learn more about where construction will occur and how to receive updates throughout the project.

### East Side Coastal Resiliency

The East Side Coastal Resiliency (ESCR) Project is a coastal protection initiative, jointly funded by the City of New York and the federal government, aimed at reducing flood risk due to coastal storms and sea level rise on Manhattan's East Side from East 25th Street to Montgomery Street. The boundaries of this project correspond with the natural "pinch-points" in the 100-year floodplain: areas where the land is higher along the coastline, making it easier to close the system off from water entering from the north and south. The project design integrates flood protection into the community fabric, improving waterfront open spaces and access, rather than walling off the neighborhood. Construction on the East Side Coastal Resiliency project will begin in Fall 2020 and continue through 2025.

Construction Progress

# **APPENDIX FOR REFERENCE**

# EAST SIDE COASTAL RESILIENCY

## Agency Roles

Mayors Office of Resiliency | NYC Department of Design and Construction  
NYC Parks | NYC Department of Transportation | NYC Department Environmental Protection

**Deputy Mayor's Office (DMO):** Oversees interagency coordination, facilitates the decision-making process, and manages engagement with elected officials and other key stakeholders.

**Mayor's Office of Resiliency (MOR):** Leads resiliency policy and program development for the City, including integration of this project into the City's multi-layered citywide resiliency strategy.

**NYC Department of Design & Construction (DDC):** As NYC's primary capital design and construction project manager, DDC is managing the design and construction of the ESCR project.

**The Mayor's Office of Management and Budget (OMB):** Oversees both the expense budget and the capital budget and conducts legal reviews of capital projects. NEPA lead agency and responsible entity for the HUD CDBG-DR Grants.

**NYC Law Department:** Assisting in land use negotiations with non-city parties.

**NYC Department of Citywide Administrative Services (DCAS):** Assisting in appraisals and negotiations for acquisitions with non-city partners.

**NYC Department of Parks & Recreation (NYC Parks):** Lead Agency in fulfilling the environmental review requirements of the SEQRA and CEQR. The agency is also responsible for reviewing and issuing permits and approvals for project design and construction in City parkland.

**NYC Department of Transportation (DOT):** Responsible for bridge design review, traffic management and permit review on local streets and the FDR, bike and pedestrian safety design review, and long-term operations and management of flood protection systems including deployment and emergency response.

**NYC Department of Environmental Protection (DEP):** Serves in a design and advisory capacity for activities related to stormwater management, water and sewer infrastructure, air quality, noise, hazardous materials, and natural resources. Also responsible for long term operations and management of interior drainage system including deployment and emergency response.

**NYC Department of City Planning (DCP):** Responsible for waterfront area zoning, planning, compliance and decision making, and for the Uniform Land Use Review Procedure (ULURP).

**NYC Economic Development Corporation (EDC):** Coordinates approvals for activities on NYCEDC-leased and administered properties, including Stuyvesant Cove Park and the Solar One Environmental Education Center.
