

Project # SANDRESM2 | Borough: Manhattan | Issue Date: 8/20/2021

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Sidewalk Closure at West Service Road

Closure of sidewalk to begin the week of September 6, 2021, ongoing until further notice

Construction activities will necessitate the closure of the sidewalk at the West Service Road between E 23rd and E 25th Streets. To access Asser Levy Playground from Avenue C, pedestrians may cross to Waterside Plaza at the intersection of E 23rd Street under the FDR Drive and then take the pedestrian overpass bridge at E 25th Street. This change will be in place 24 hours/day, 7 days/week.

If you have questions or would like to learn more about the ESCR project, please contact your Community Construction Liaison (CCL):

Nadine Harris

Phone: 347-572-3057

Email: ESCRCL2@ddccr.com

Inquiry Tool: www.nyc.gov/escr/contact

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations.
