

Project # SANDRESM2 | Borough: Manhattan | Issue Date: 9/01/2021

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

## Nightwork and Traffic Detour resume along West Service Rd. between E 23rd & E 25th Streets Mon-Fri, 10:00 pm to 5:00 am

Floodwall construction operations necessitate vehicular traffic detour resuming September 13, 2021, ongoing until further notice.

Vehicles & pedestrians to follow all posted signs and instructions from Traffic Enforcement Agents & Flaggers while detour is in effect. Night work will alternate in areas identified below.

If you have questions, or would like to learn more about the ESCR project, please contact your Community Construction Liaison (CCL):
