

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 12/03/2021

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

## Closure of Delancey Street Bridge & Park Areas South of Stanton Street Starting on December 6<sup>th</sup>, 2021

For public access to ferry use Corlears Hook Bridge. To access open park areas use entrances at E Houston Street, 6<sup>th</sup> Street Bridge, or 10<sup>th</sup> Street Bridge. See bicycle detour advisories.

Closures include the amphitheater, southern athletic fields and basketball courts, lawn & water play area, Delancey Street Bridge, Brian Watkins Tennis Center, and dance circle. Please follow all signage while closures are in effect to ensure safety.
