

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 01/11/2022

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

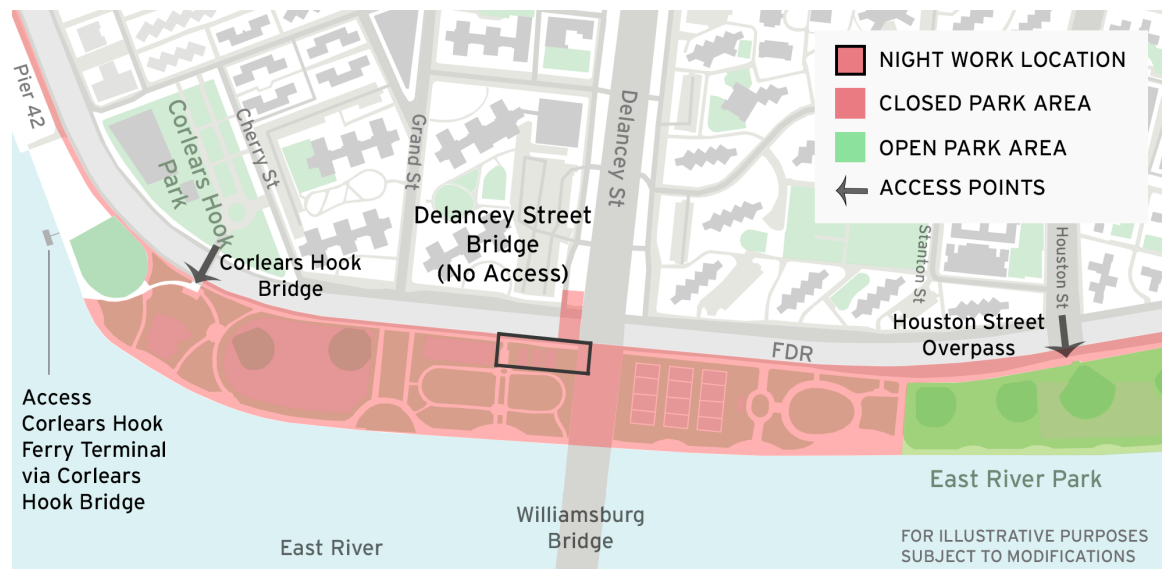

Nightwork will begin in East River Park at Delancey Street

The week of January 24, 2022

Ongoing 3:00 pm to 11:59 pm

For approximately 4 weeks

Construction operations necessitate extended work hours to dismantle the park-side ramp of the Delancey Street Pedestrian Bridge. Noise and air monitors will be in place prior to the start of these activities.
