

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 01/27/2022

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

## Delancey Street Bridge Removal Work to begin the week of January 24, 2022 Ongoing for approximately 4 weeks at various times - see weekly Bulletin

Construction operations necessitate varied work hours to dismantle the Delancey Street Pedestrian Bridge. Park-side hours may include daytime and night (3pm-11:59pm) shifts. Community-side work will occur between 9am - 5pm. Refer to weekly Construction Bulletins. Noise and air monitors are in place.
