

Project # SANDRESM2 | Borough: Manhattan | Issue Date: 10/19/2022

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

East River Greenway Closure: E. 18th Street to E. 20th Street Starting the week of October 31, 2022

To facilitate construction of the floodwall and floodgate, the Greenway between E. 18th Street to E. 20th Street will be closed for construction activities.

The Greenway north of E. 20th Street will be reopened the week of October 31, 2022. Access to the Ferry will remain open. Please follow the bicycle detour and all on-site signage while closures are in effect to ensure safety.
