

Project # SANDRESPC | Borough: Manhattan | Issue Date: 5/16/2023

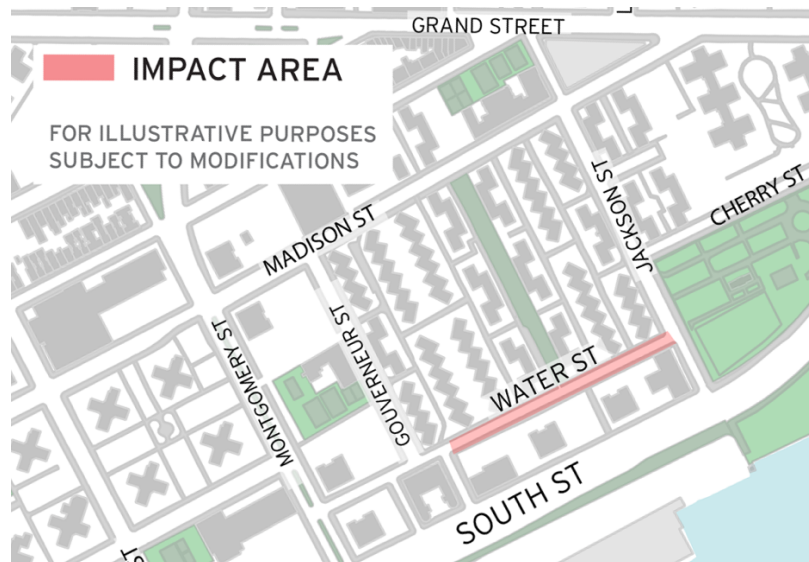

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

# Water Main Replacement

## Starting May 23, 2023, for approximately three (3) weeks

- From 8:30am - 4:30pm
- Water St. between Jackson St. and Gouverneur Slip E.

These temporary water main shutdowns are necessary to facilitate the replacement of a 12" distribution water main pipe which will be replaced in sections along Water St. Official DEP notices with instructions will be provided to before any service interruptions. For your safety, please follow on-site signage and flaggers.
