

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 5/26/2023

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Water Main Replacement

South St. between Clinton St. and Gouverneur Slip E.

- One overnight test shutdown the week of June 5th: 10:00pm - 10:00am
- More information to follow for the watermain replacement shutdown

These temporary water main shutdowns are necessary to facilitate the replacement of a 12" water main. **Official DEP notices with instructions will be provided before any service interruptions to affected buildings.** For your safety, please follow on-site signage and flaggers.
