

Project # SANDRESM1 | Borough: Manhattan | Updated: 03/15/2024

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

## Pedestrian Access Reopened at FDR Drive Service Road

### Ongoing until further notice

A pedestrian accessway on the FDR Service Road has been put in place, following a previous sidewalk closure. The closure of the south sidewalk at Delancey St. from FDR Dr. to Baruch Drive is still in effect. The north sidewalk remains accessible. Access to East River Housing parking lot will be maintained. Street parking is limited. Please follow all signage on-site to ensure safety.
