

Project # SANDRESM1 | Borough: Manhattan | Date: 12/18/2024

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Con Edison Nightwork: FDR Drive at Grand Street

**December 2024 and January 2025
(on pause from December 23rd, 2024 -
January 3rd, 2025)**

Con Edison gas main and electrical conduit construction will require overnight work hours across the FDR Drive beginning at Grand Street and ending in East River Park. Partial FDR Drive closures will be in effect during this time. Grand Street and FDR Drive Service Road will remain open. Please follow detours and all on-site signage to ensure safety. Noise & air quality monitors are in place.
