

Project # SANDRESM1 | Borough: Manhattan | Date: 01/21/2025

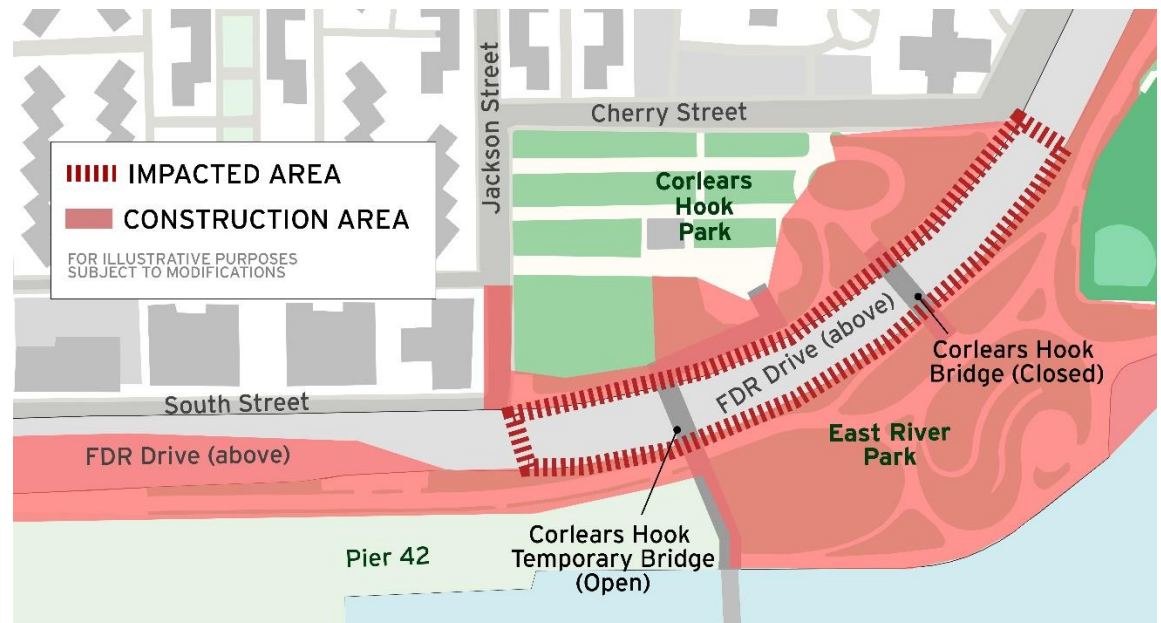

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Overnight FDR Drive Intermittent Traffic Stoppages

Saturday, January 25th, 2025
1:00 AM to 7:00 AM

Overnight northbound & southbound FDR Drive intermittent traffic stoppages will be required to facilitate the transport of heavy construction equipment between East River Park and Corlears Hook Park.

These intermittent stoppages will require single lane closures in addition to complete stoppages for a maximum of five (5) minutes each. Vehicles should follow all posted signs and Traffic Enforcement Agents.
