

Project # SANDRESM1 | Borough: Manhattan | Date: 03/14/2025

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

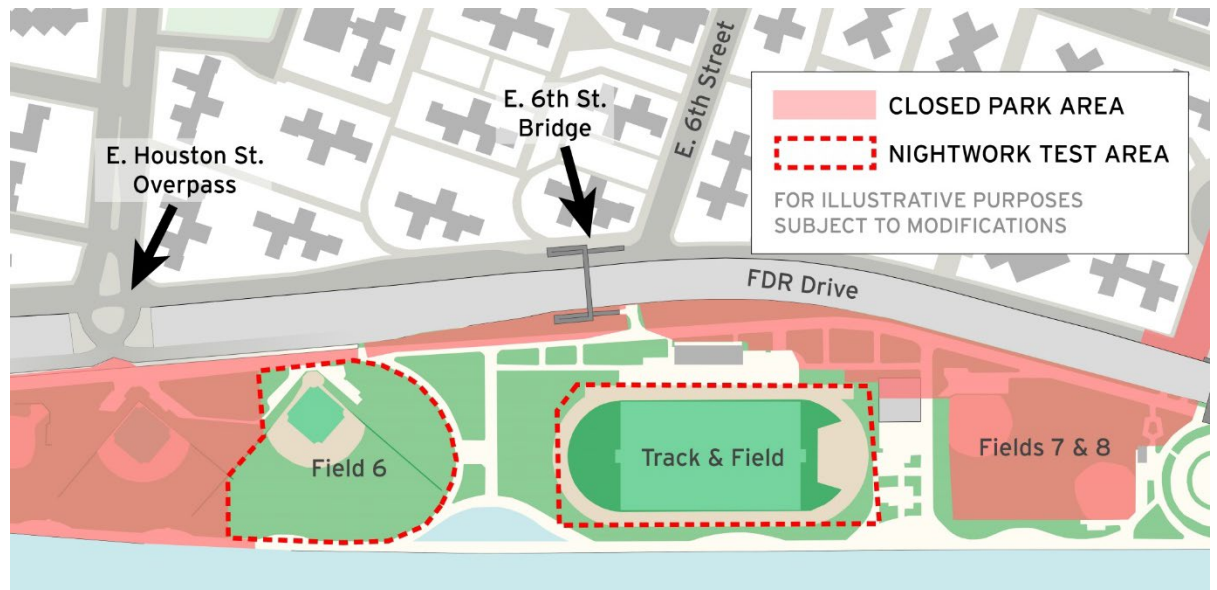

## Overnight Soil Testing in East River Park Track Area and in the Vicinity of Field 6

Beginning the week of March 31<sup>st</sup>, 2025

Ongoing for about one week.

10:00 PM to 6:00 AM

Soil testing will require the overnight closure of the East River Park Track and Field area and Field 6 for about one week. The Track area and Field 6 will remain open during normal park hours, though some testing may be conducted in limited areas during the day. Noise and air monitors are in place.
