

Project # SANDRESM1 | Borough: Manhattan | Date: 04/10/2025

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

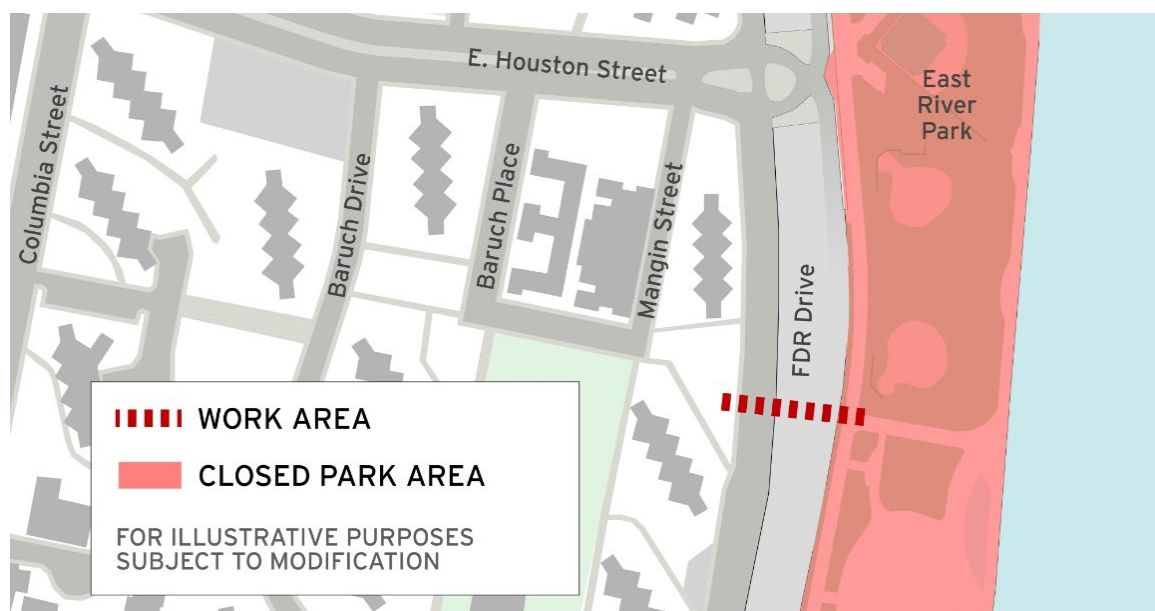

Utility Crossings in the Vicinity of E. Houston Street and FDR Drive

Daytime: Beginning Monday, April 14th, 2025

Nightwork: beginning Monday, April 21st, 2025

Ongoing for about six weeks.

Excavations for utility crossings will begin during daytime work hours and will later require overnight work hours. This work will begin west of the FDR Drive and end in East River Park. Partial FDR Drive closures will be in effect during this time. Please follow detours and all on-site signage to ensure safety. This activity can be disruptive and loud. Noise & air quality monitors are in place.
