

Project # SANDRESM1 | Borough: Manhattan | Date: 06/11/2025
The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Nightwork: Utility Crossings in the Vicinity of Cherry Street and FDR Drive

Beginning Wednesday, June 11th, 2025
Ongoing for about six weeks.

Overnight work hours will be required for electrical conduit construction across the FDR Drive, beginning at Cherry Street and ending in East River Park. Partial FDR Drive and FDR Drive Service Road closures will be in effect during this time. Please follow detours and all on-site signage to ensure safety. This activity can be disruptive and loud. Noise & air quality monitors are in place.
