

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 06/27/2025
The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Nightwork: Utility Crossings in the Vicinity of E. 6th Street and FDR Drive

Beginning the week of June 30th, 2025

Ongoing for about six weeks

Overnight work hours are required for utility construction across the FDR Drive, beginning at E. 6th Street and ending in East River Park. Partial FDR Drive and FDR Drive Service Road closures will be in effect during this time. Please follow detours and all on-site signage to ensure safety. **This activity can be disruptive and loud.** Noise, vibration, and air quality monitors are in place.
