

Project # SANDRESPC | Borough: Manhattan | Issue Date: 09/03/2025

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

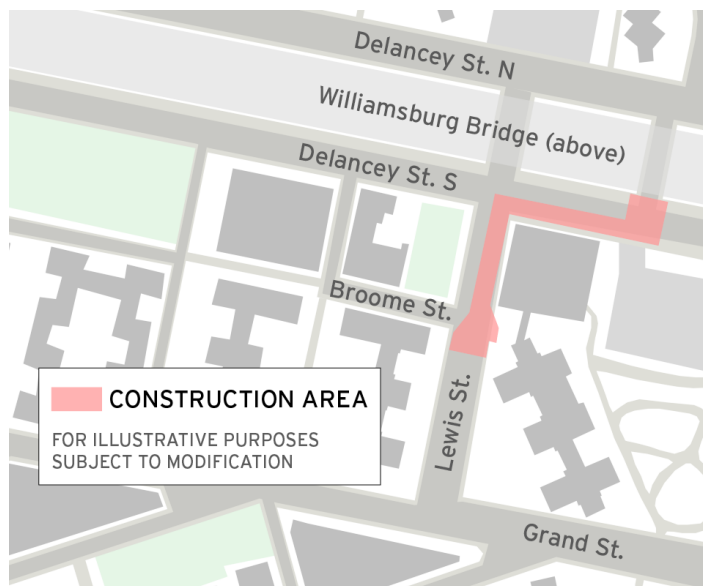

Sewer Installation

Delancey Street South between
Lewis Street and Baruch Drive

Starting September 3, 2025
Ongoing Until Further Notice

Work Hours: 7:00 AM – 4:30 PM

Please be advised that deep excavation for sewer work will be taking place in your area. This activity may be loud and could generate dust during permitted work hours. The entrance to East River Parking will be maintained at all times. For your safety, please follow all posted signs and the directions of on-site flaggers.
