

Project # SANDRESM1 | Borough: Manhattan | Date: 08/26/2025

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

New Access Pattern for Pier 42 & Corlears Hook Ferry Beginning September 5, 2025

The Corlears Hook temporary pedestrian bridge will close as early as Friday, September 5, 2025, as the new Corlears Hook Bridge opens. The new bridge provides direct access between East River Park, Corlears Hook Park, Pier 42, and the Corlears Hook Ferry Terminal.

The temporary bridge will be removed at a later date. Full Advisory to come.
