

Project # SANDRESPC | Borough: Manhattan | Issue Date: 8/13/2026

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

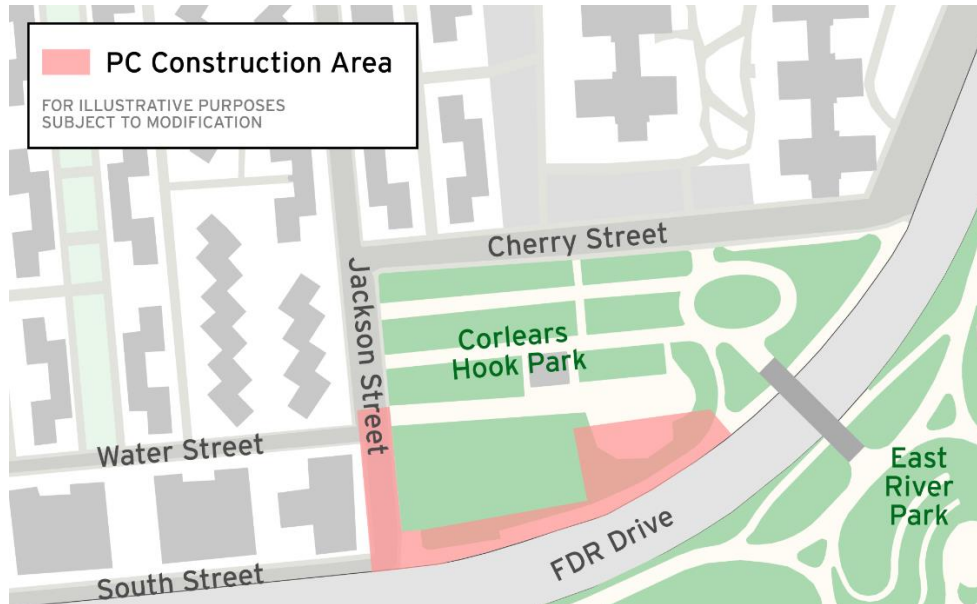

Sewer Installation

On Jackson Street between South Street and Water Street, and on the southern limits of Corlears Hook Park

Beginning Monday August 17, 2026

Anticipated Work Hours: 7:00 AM - 3:30 PM

Construction operations related to sewer work are resuming in the Jackson Street / Corlears Hook Park area. During these activities, intermittent roadway closures, traffic detours, and parking limitations will be required to accommodate construction equipment movement and sewer installation. Please follow all posted signs and flaggers for your safety.
