### CAG-only portion

There was no presentation from DDC or other City agencies due to the issuance of a Temporary Restraining Order (TRO) on demolition work in East River Park that was issued just before the meeting was scheduled to start.

The CAG-only portion of the meeting consisted of a brief informal conversation on the news of the TRO and a discussion of the process for how to move forward and adopt the CAG by-laws in the coming weeks.

The next scheduled meeting is on December 2nd, 2021, but this date is subject to change based on the outcome of the TRO.
