An aerial photograph of the East Side Coastal Resiliency project area in New York City, featuring a blue overlay. The image shows a dense urban landscape with a large body of water (the East River) to the right. A bridge crosses the water, and a green park area with a baseball field is visible. The text is overlaid in white.

East Side Coastal Resiliency Work With Us Winter Virtual Information Session

Tuesday, December 10, 2024
3:30pm to 5:00pm

AGENDA

1. Welcoming Remarks
2. East Side Coastal Resiliency (ESCR) Overview
3. St. Nicks Alliance
4. RETI Center
5. Workforce1
6. Pathways to Industrial & Construction Careers (PInCC)
7. Jobs Plus Lower East Side
8. Question and Answer
9. Reminders and Resources
10. Breakout Room Engagement

WELCOME. THE SESSION WILL BEGIN IN A MOMENT.

Please note:

- All participants are muted. Should you experience any technical difficulties, please send private message using chat feature to **Stephen A. [Event Tech]** or send email **stephen@buistudio.com**
- Once the video begins, confirm your volume is up and the **mic is muted**.
- The presentation can be adjusted by clicking on the 'View' link at the top right of the Zoom meeting window. You may hear double sound or an echo if you dialed in via phone and on your computer / tablet device. Remember to mute sound on one of the two windows if there is an opportunity to ask direct questions.
- Q&A Session via chat function will be available towards the end of the first hour of the presentation. Your virtual comment will be entered into the official project record, may be read aloud or displayed on screen, and will be responded to either live or post-event by the project team.
- The presentation can be viewed with live transcript in the default language set on your computer.
- Language support provided by our ESCR Community Construction Liaisons: **Vanessa Gomez and Pauline Chan**

EAST SIDE COASTAL RESILIENCY PROJECT

The East Side Coastal Resiliency (ESCR) project will protect 110,000 New Yorkers from the impacts of climate change by reducing flood risk to communities, properties, businesses, critical infrastructure, and public open spaces. In addition to providing flood protection, the project will strengthen and enhance waterfront spaces on Manhattan's East Side by improving accessibility, increasing ecological diversity, and delivering improved recreational amenities to a vibrant and highly diverse community.

PROJECT TEAM & PARTNERS

The project construction is led by:

- New York City Department of Design and Construction (DDC)

Other agency partners include:

- New York City Department of Transportation (DOT)
- New York City Department of City Planning (DCP)
- New York City Department of Environmental Protection (DEP)
- New York City Economic Development Corporation (NYCEDC)
- New York City Department of Parks and Recreation (Parks)
- Mayor's Office of Climate and Environmental Justice (MOCEJ)

Program Management/Construction Management (PMCM) for Project Area 1 & 2

- HNTB-LiRo Joint Venture

Contractors:

- Project Area 1 – IPC Resiliency Partners
- Project Area 2 – Perfetto Contracting Co. Inc.

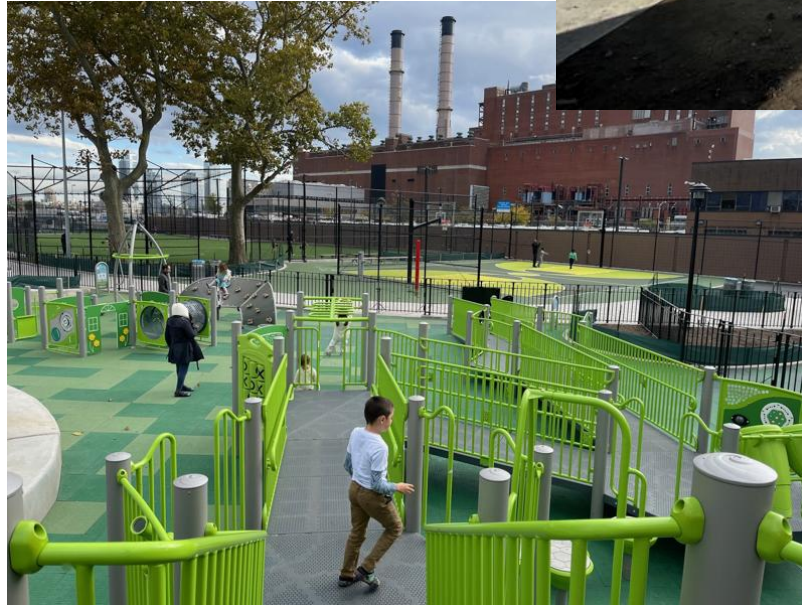

PROJECT STATUS

Project Area 2 (PA2)

NTP issued November 2020

- Asser Levy Playground **Open**
- Stuyvesant Cove Park **Open**
 - park closed around Solar One for EDC project (not ESCR)
- Murphy Brothers **Open**
- All 3,129 ft of floodwall installed
- All Gates 7-18 installed

PROJECT STATUS

Project Area 1 (PA1)

NTP issued August 2021

- **Partial Closures:**
 - East River Park south of E. Houston St.
 - Greenway closure to E. 10th St.
 - Corlears Hook Park
- **Bridges:**
 - Delancey St. Bridge **Open**
 - Corlears Hook **Installed**
 - Use Corlears Hook temp. ped bridge.
- **Ongoing work:**
 - ongoing utility work
 - floodwall and fill activities ongoing
 - E. Houston St. retaining wall work
- **Amenities in progress:**
 - Ballfields 1 & 2 **Open**
 - Amphitheater seating work, Basketball and Tennis Court
 - Phase 1 esplanade construction & more

COMMUNICATIONS

- **Public Meetings**
 - Community Boards 6 and 3
 - Community Advisory Group (CAG)
 - Other targeted stakeholders
- **Individual and Programmatic Outreach**
 - Community Construction Liaisons (CCLs), tabling, community programming
- **Website**
 - nyc.gov/escr
- **Inquiry Tool**
 - Public inquiries, stakeholder database, and bulk emails
- **Communication Suite**
 - Newsletters, Community Advisories, Construction Bulletins
- **Community Construction Liaisons**
 - PA1: ESCRCL1@DDCCR.com
Vanessa Gomez, 347-628-8724 fluent in Spanish
Pauline Chan, 929-717-9015 fluent in Cantonese
 - PA2: harrisn@liro.com

The East Side Coastal Resiliency (ESCR) project is a public investment that will help drive the City's economy and create jobs in New York City neighborhoods. As the ESCR project is launched, information on training, careers and contracting opportunities will be posted here. We encourage individuals and local M/WBE and Section 3 firms to review the opportunities and resources below, as well as the factsheet outlining the [ESCR Subcontracting and Hiring Goals](#).

Our ESCR M/WBE and Section 3 representatives are available at [community board meetings](#) and project events to provide updates and respond to questions.

[Submit an inquiry through our Public Inquiry Tool](#)

[Have a question now?](#)

We are continually working to make our hiring events helpful and relevant to the community. Please take this short survey to help inform upcoming events.

Learn about construction training programs and cost-free resources to get needed credentials and experience.

Subcontracting/Hiring Goals

The East Side Coastal Resiliency (ESCR) project is a coastal protection and infrastructure project funded by the City of New York and the Federal Government, aimed at reducing flood risk due to coastal storm surge and sea level rise. The ESCR project will protect 112,000 New Yorkers from the impacts of climate change by reducing flood risk to communities, properties, businesses, and critical infrastructure, and creating new jobs. The ESCR project is among the largest and most historically complex infrastructure projects in New York City's history.

Overview of ESCR Hiring Goals

The ESCR project is a public investment that will help drive the City's economy and create jobs in New York City neighborhoods. The project team is committed to promoting and fostering an inclusive and equitable environment for the M/WBE, Section 3, and local hiring goals, and has a dedicated compliance subcommittee to monitor these goals and assist in outreach to the community in partnership with NYC's Office of Diversity and Equity Workforce (ODEW) and community hiring partners.

There are four program goals related to hiring, contracting, and subcontracting on the ESCR project which may differ from the Department of Design + Construction (DDC) and community hiring partners.

- **Minority/Women-Owned Businesses (M/WBE)**
- **Black/Hispanic**
- **Section 8**
- **Locally Local Hiring**

The ESCR hiring partnership team holds quarterly public sessions, provides training opportunities and provides support to community board and community advisory group meetings.

Training Program Highlights

Do you qualify for the program?

- 18+ years old
- HS Diploma/HSE

LOCAL POWER TRAINING PROGRAM

- 4 weeks full time M-F
- No cost to participants
- No previous experience/qualifications required
- Free certifications
- Access to internship and employment supports
- \$700 completion stipend

This is what you have to look forward to.

1

Career Counseling,
Career Readiness, &
Wraparound Services

- Free lunch
- Weekly metrocards
- Laptops provided
- Resume and career counseling sessions

Training + Certifications

4 weeks

Skills Training

- OSHA 40 Construction (5 days)
- Roof RETI Solar Installation (5 days)
- Social Entrepreneurship & Solar Business (4 days)
- EV and Battery Training (5 days)

2

Core Competencies:

Solar Construction

Earn 3 industry certifications:

- OSHA-30 Construction
- OSHA-10 SST
- GPRO Fundamentals of Building Green

EV & Battery

Course is written and instructed by professionals in the field

Earn 1 industry certifications:

- Fire Safety Training

Welcome to the Workforce1 System

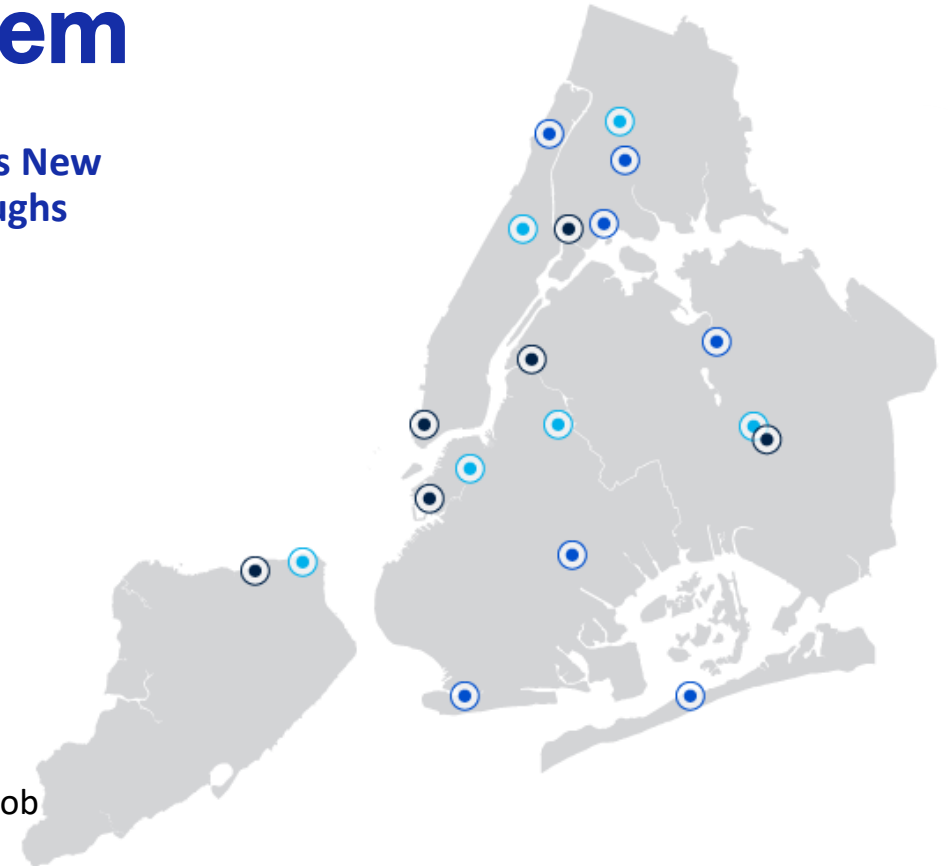

Workforce1 (part of the NYC Department of Small Business Services) helps New Yorkers prepare for, and connect to, jobs across New York City's five boroughs and in every sector of the economy.

There are **18** Workforce1 Career Centers in the **5** boroughs that serve more than **100,000** jobseekers every year.

They include:

- 6 Main “Hub” Centers
- 6 Expansion Centers
- 6 Sector Centers

- All services are no cost
- Saves employers time and money
- We recruit and screen candidates based on your needs — referring the most qualified to your business
- We use diverse platforms to source job seekers: job boards, re-engagement reports, social media, local partner organizations, and more
- We host virtual recruitment events to connect employers and candidates for 1-on-1 interviews or group interviews

► Workforce1 HOT JOBS – HUB

- New York & Atlantic Railway Asst. Train Conductor \$22
- JFK Warehouse Cargo Agent - \$19.10/hr.
- Baggage Agents - \$23
- JFK Ramp Safety Office - \$24-27
- Industry Butcher (Basic English) - \$19.20

What is Jobs Plus?

A community-based program created by the Mayors office and funded by HRA. Our parent organization is Henry Street Settlement.

Henry Street Settlement's mission is to open doors of opportunity for Lower East Side residents and other New Yorkers through social services, arts, and health care programs. The organization is distinguished by its commitment to listening to and learning from our neighbors—and then acting to meet the most pressing needs of our community.

Jobs Plus provides residents of the Lillian Wald and Jacob Riis Houses with opportunities to improve skills and build confidence to find and keep a job. Services are also available to those already employed who wish to advance in their career.

In a supportive and encouraging environment, Henry Street's dedicated staff and close community partners work one-on-one with participants to help them achieve success and financial independence.

SERVICES
