

# CONNECT YOUR COMPANY TO TALENT

*Let's Work Together*

**BUILDING AUTOMATION, HVAC, CLEAN ENERGY, SUSTAINABILITY, ACCESSIBILITY**

The Workforce Development Center at Henry Street Settlement and the nonprofit Stacks+Joules together train dozens of community members in building automation systems, HVAC, sustainability, and accessibility.

Our qualified, certified graduates are available to bring your company's facilities to the next level, at **NO CHARGE** to you.

**Let's explore how we can partner! Henry Street can join with you to:**

- ✔ Hire staff skilled and certified in a variety of clean energy roles.
- ✔ Pursue federal, state, and local funding proposals.
- ✔ Identify skills you will need for growth in the sustainable economy.
- ✔ Develop apprenticeships and career pathways within your organization.

## PROGRAM HIGHLIGHTS

**3:1**  
interview-  
to-hire ratio

**75%**
