Fire Protection Plan

Industry Notice # 1

2/12/25

Effective immediately Fire Protection Plan approvals **will no longer** be contingent on a Letter of Acceptance/Special Conditional Acceptance of a Fire Safety Plan or Emergency Action Plan (FSP/EAP). A building filing a Fire Protection Plan that also requires an FSP/EAP **only** needs to ensure that an FSP/EAP has been submitted for review to the FDNY. Any questions, please contact Captain Carlos Ruiz, unit head of Emergency Planning and Preparedness Group (EPPG).
