SOFTWARE VENDOR TEST PACKAGE FOR GENERAL CORPORATION TAX WITH BUSINESS TAX E-FILE

Tax Year 2017 Version 2.0 January 10, 2017

Revision History

Version	Author	Date	Change Highlights
1.0	Lawrence Sporn / Lynn Witt	12/28/2017	Initial Version
2.0 Lawrence Sporn / Lynn Witt		01/10/2018	Correct math and logic errors on test cases 1, 2, 3 and 4

This package describes the New York City (NYC) Acceptance Testing System procedures for software developers participating in the NYC Business Tax e-File Program (BTeFile).

WHO MUST TEST

All software developers participating in the NYC BTeFile Program must test.

WHAT TO TEST

The tests verify that the e-file software creates a complete return, carries appropriate values from one line/form to another, formats and transmits NYC returns according to the XML specifications.

Software developers must test all the NYC General Corporation Tax (GCT) forms that they support. Before testing you should inform NYC which GCT forms you support by email to BTeFile@finance.nyc.gov.

TEST CASES TO SUBMIT

All vendors participating in GCT Business Tax e-File must submit the following test scenarios:

Test Case	Taxpayer Name	EIN	Primary Form	Associated Forms
1	HIDE GCT TC ONE GREE TC ONE SUB1 ACME TC ONE SUB2	00-0000002 00-0000012 00-0000013	NYC-3A NYC-3A/B NYC-3A/ATT (3)	NYC-9.5 NYC-9.6 NYC-9.12

- If you do not support one of the primary forms do not submit that test.
- If you do not support one or more of the forms associated with a specific test case, submit the test with the unsupported form(s) as a PDF attachment(s). If this is done, an email must be sent to BTeFile@finance.nyc.gov indicating the forms sent as PDF attachments.
- Contact BTeFile@finance.nyc.gov if you desire to send additional test returns not covered in this test package.

WHEN TO TEST

Testing for GCT filers is scheduled to begin December 28, 2017. To ensure adequate time for testing before the filing season, software developers should submit their initial NYC test files as soon as possible. There is no cutoff date for testing with NYC, as long as the IRS is still accepting test returns. We do not require software developers to pass federal testing before testing with NYC. Software developers may conduct federal and City testing concurrently if the IRS allows it.

TRANSMITTING TEST FILES

Software developers must transmit NYC test file through the IRS MeF system. You will get an acknowledgment from the IRS. If your test file is accepted by the IRS, NYC will retrieve your test file. If your test file is rejected by the IRS, you must correct the error and re-transmit. You may transmit an incomplete set of test cases during testing. However, a final set of acceptable test returns must be submitted in order to be accepted into the NYC BTeFile Program.

When your test file has been transmitted to the IRS, you must send an email to BTeFile@Finance.nyc.gov. This email must include the test case(s) being submitted, and any deviation from the test data.

COMMUNICATING TEST RESULTS

Software Developers will be given confirmation by telephone and email from the New York City Business Tax e-File Coordinator when software has been successfully tested and approved. Only approved software may be released and distributed by the developer. NYC will make every effort to provide test results to software developers within 48 hours, Monday through Friday.

TEST ACKNOWLEDGMENT

For each submission a software developer sends through the IRS, DOF will acknowledge. The acknowledgment they receive will be either positive (ACK) or negative (NACK). The acknowledgment will be sent back to the IRS system for the vendor to pick up.

APPROVAL OF E-FILE SOFTWARE

To be accepted into the NYC Business Tax e-file program, software developers are required to successfully complete the NYC testing, in addition to completing the IRS testing. Once software developers successfully complete the NYC test, NYC will inform them by email that their e-file software has been approved for NYC BTeFile. A list of approved BTeFile software packages will be posted on NYC Department of Finance's Web site, with a link to the software Web site (if provided by the software developers).

GENERAL INFORMATION

The Job Creation and Worker Assistance Act of 2002, P.L. 107-147, (the "Act") allows taxpayers an additional 30 percent depreciation deduction in the first year "qualified property" is placed in service. The Act allows a similar additional 30 percent first-year depreciation deduction for "qualified New York Liberty Zone property" and allows "qualified New York Liberty Zone leasehold improvements" to be depreciated over a five-year period using a straight-line method. The Act also allows an additional first-year expense deduction of up to \$35,000 for "qualified New York Liberty Zone property" under IRC §179 in addition to the otherwise allowable deduction. The Jobs and Growth Tax Relief Reconciliation Act of 2003, P.L. 108-27, (the "2003 Act") increased the first year federal depreciation deduction for certain qualified property to 50%.

The New York Liberty Zone generally encompasses an area of the borough of Manhattan below Canal Street. "Qualified property" (as defined in IRC §168(k)(2)) generally includes certain personal property acquired after September 10, 2001 and before January 1, 2005 and placed in service after September 10, 2001 and before January 1, 2005 or 2006 in certain circumstances. The 2003 Act modified the definition of "qualified property" to provide that to qualify for the 50% deduction, the property must be acquired after May 5, 2003 and before January 1, 2005 and placed into service before January 1, 2005 or 2006 in certain circumstances. "Qualified New York Liberty Zone property" (as defined in IRC §1400L(b)(2)) generally includes the same types of personal property if used substantially in the New York Liberty Zone in connection with the active conduct of a trade or business in the New York Liberty Zone where the original use began with the taxpayer in the Liberty Zone after September 10, 2001. It also includes certain real prop-

INSTRUCTIONS FOR SCHEDULE A

A corporation subject to the Business Corporation Tax or General Corporation Tax that has relocated to leased premises in New York City from a location outside New York State and has created at least 100 industrial or commercial employment opportunities in the City is allowed a credit against the Business Corporation Tax or General Corporation Tax for the amount of any additional lease payments actually made to the taxpayer's landlord that are based solely and directly upon increased real estate taxes imposed upon the relocation premises. To the extent this credit exceeds the taxpayer's tax liability calculated without this credit, it shall be refunded without interest. Before a taxpayer can claim the credit, the taxpayer's eligibility must be approved and certified by the Industrial and Commercial Incentive Board. The credit can be claimed annually for the length of the lease term, or for a period not to exceed ten years from the date of relocation, whichever period is shorter.

"Employment opportunity" means the creation of a full-time position (not less than 30 hours per week of gainful employment) for an industrial employee (one engaged in the manufacturing or assembling of tangible goods or the processing of raw materials) or commercial employee (one engaged in the buying, selling or otherwise providing of goods or services other than on a retail basis directly to the ultimate user or consumer) and the actual hiring of such employee for that position.

"Basic rent" means the rent provided for under a written lease for the use or occupancy of premises, excluding separately stated amounts required to be paid under the lease for such items as real estate taxes, maintenance expenses or fuel adjustments. If more than one premises is included in the computation of the credit, attach a separate rider in the form of Schedule A for each such premises, and enter the sum of the amounts shown on such separate riders on Schedule A.

500

PART B, LINE 2a

Since the real estate tax escalation credit is the amount of the increased payments actually made that are solely and directly attributable to an increase or addition to the real estate taxes imposed upon the leased premises, the basic rent originally to be paid under the lease for the premises must be determined. It should be computed as an amount due for one month, notwithstanding the manner in which it is expressed in the lease for the premises. The basic monthly rent as thus determined must then be multiplied by the number of months in the taxable period covered by this report so that the period covered by this report may be compared to a comparable period based upon the basic rent originally required to be paid.

PART B, LINE 2b

If, beginning with the inception of the term, the lease for the premises requires that an amount separate from the basic rent must be paid for real estate taxes attributable to the premises, you must enter on line 2b an amount to be determined by computing the amount that would be due per month, if such required payment were figured on a monthly basis, and multiplying such amount by the number of months in the period covered by this report.

INSTRUCTIONS FOR SCHEDULE B

Effective August 30, 2005, taxpayers relocating to premises within an Industrial Business Zone established pursuant to section 22-626 of the Administrative Code for which a binding contract to purchase or lease was entered into by the taxpayer after June 30, 2005 MAY NOT take the relocation credit provided on this schedule for industrial employment opportunities but are entitled to a new one time credit for tax years beginning after December 30, 2005. See Administrative Code §§11-604.14 and 11-604.17-b as added by Chapter 635 of the Laws of 2005 and Schedule C below. See also Administrative Code §§11-654.14 and 11-654(17-b).

Corporations subject to the Business Corporation Tax or General Corporation Tax are allowed a credit against the tax for certain costs incurred in relocating commercial or industrial employment opportunities to New York City from an area outside the State of New York. To the extent this credit exceeds the taxpayer's tax liability calculated without this credit, it shall be refunded without interest. In order to be eligible for this credit, a taxpayer must relocate to the City a minimum of ten such employment opportunities. The relocation costs for which the credit may be claimed are those incurred during the tax year in connection with employment opportunities relocated to the City during the tax year.

The allowable credit is based upon "employment opportunity relocation costs" incurred by the taxpayer during its taxable year, but may not exceed a maximum of:

- (a) \$300 for each commercial employment opportunity; and
- (b) \$500 for each industrial employment opportunity, relocated to the City from an area outside the State.

The relocation costs credit may be taken by the taxpayer in whole or in part in the year in which the employment opportunities are relocated by such taxpayer or in either of the two years succeeding such event.

For purposes of the credit, "employment opportunity relocation costs" means:

 a) the costs incurred by the taxpayer in moving furniture, files, papers and office equipment into the City from a location outside the State;

- b) the costs incurred by the taxpayer in moving and installing machinery and equipment into the City from a location outside the State;
- the costs of installing telephones and other communication equipment required as a result of the relocation to the City from a location outside the State;
- the cost incurred in the purchase of office furniture and fixtures required as a result of the relocation to the City from a location outside the State; and
- e) the cost of renovation of the premises to be occupied as a result of the relocation, provided, however, that such renovation costs shall be allowable only to the extent that they do not exceed seventy-five cents per square foot of the total area utilized by the taxpayer in the occupied premises.

OTHER DEFINITIONS:

- a) "Employment opportunity" means the creation of a full-time position of gainful employment for an industrial or commercial employee and the actual hiring of such employee for the position.
- "Industrial employee" means one engaged in the manufacturing or assembling of tangible goods or the processing of raw materials.
- "Commercial employee" means one engaged in the buying, selling or otherwise providing of goods or services other than on a retail basis.
- d) "Retail" means the selling or otherwise disposing of tangible goods directly to the ultimate user or consumer.
- e) "Full-time position" means a position of gainful employment where the number of hours worked by the employee is not less than 30 hours during any given work week.

INSTRUCTIONS FOR SCHEDULE C

For taxable years beginning on or after January 1, 2006, an eligible business that first enters into a binding contract on or after July 1, 2005 to purchase or lease eligible premises to which it relocates is allowed the industrial business zone tax (" $\rm IBZ$ ") credit, a one-time credit to be credited against its Business Corporation Tax or General Corporation Tax liability or refunded without interest to the extent it exceeds the taxpayer's Business Corporation Tax or General Corporation Tax liability calculated without that credit. The amount of the credit is \$1,000 per full-time employee, provided that the amount of the credit may not exceed the lesser of the actual relocation costs or \$100,000. See Ad. Code §\$11-604.17-b, as added by Chapter 635 of the Laws of 2005 and Ad. Code §11-654(17-b).

For purposes of this credit, the following definitions apply:

- 1. "eligible business" means any business subject to Business Corporation Tax or General Corporation Tax that (1) has been conducting substantial business operations and engaging primarily in industrial and manufacturing activities at one or more locations within the City or outside New York State continuously during the 24 consecutive full months immediately preceding relocation, (2) has leased the premises from which it relocates continuously during the 24 consecutive full months immediately preceding relocation, (3) first enters into a binding contract on or after July 1, 2005 to purchase or lease eligible premises to which the business will relocate, (4) will be engaged primarily in industrial and manufacturing activities at the eligible premises, and (5) does not receive benefits under the REAP or Lower Manhattan REAP Program or through a grant program administered by the Business Relocation Assistance Corporation or through the New York City Printers Relocation Fund grant.
- "eligible premises" means premises located entirely within an industrial business zone. For any eligible business, an industrial business zone credit will not be granted with respect to more than one eligible premises.
- "industrial business zone" means an area within New York City established pursuant to section 22-626 of the Administrative Code.
- 4. "industrial and manufacturing activities" means activities involving the assembly of goods to create a different article, or the processing, fabrication, or packaging of goods. Industrial and manufacturing activities shall not include waste management or utility services.

SPECIFIC LINE INSTRUCTIONS

Line 2: "relocation" means the physical relocation of furniture, fixtures, equipment, ma-

chinery and supplies directly to an eligible premises, from one or more locations of an eligible business, including at least one location at which such business conducts substantial business operations and engages primarily in industrial and manufacturing activities. For purposes of determining the "date of relocation", enter the earlier of (1) the date of the completion of the relocation to the eligible premises, or (2) ninety days from the commencement of the relocation to the eligible premises.

Lines 5 and 6:

The amount of the credit is calculated based on the number of "full-time employees." "Full-time employee" means (1) one person gainfully employed in an eligible premises by an eligible business where the number of hours required to be worked by such person is not less than 35 hours per week; or (2) two persons gainfully employed in an eligible premises by an eligible business where the number of hours required to be worked by each such person is more than fifteen hours per week but less than 35 hours per week. The number of full-time employees for purpose of completing lines 5 and 6 is the average number of full-time employees, calculated on a weekly basis, employed in the eligible premises by the eligible business in the fifty-two week period immediately following the earlier of (1) the date of the completion of the relocation to eligible premises or (2) ninety days from the commencement of the relocation to the eligible premises. This credit must be taken in the taxable year in which such fifty-two week period ends.

Line 5:

Enter the average number of employees working not less than 35 hours per week.

Line 6

Enter the average number of employees working more than 15 hours but less than 35 hours per week. If after multiplying by 1/2, the number is not a whole number, round down to the whole number.

Line 8:

"Relocation costs" means costs incurred in the relocation of the furniture, fixtures, equipment, machinery and supplies, including, but not limited to, the cost of dismantling and reassembling equipment and the cost of floor preparation necessary for the reassembly of the equipment. Relocation costs include only such costs that are incurred during the ninety-day period immediately following the commencement of the relocation to an eligible premises. Relocation costs do not include costs for structural or capital improvements or items purchased in connection with the relocation.

GENERAL INFORMATION

The Job Creation and Worker Assistance Act of 2002, P.L. 107-147, (the "Act") allows taxpayers an additional 30 percent depreciation deduction in the first year "qualified property" is placed in service. The Act allows a similar additional 30 percent first-year depreciation deduction for "qualified New York Liberty Zone property" and allows "qualified New York Liberty Zone leasehold improvements" to be depreciated over a five-year period using a straight-line method. The Act also allows an additional first-year expense deduction of up to \$35,000 for "qualified New York Liberty Zone property" under IRC §179 in addition to the otherwise allowable deduction. The Jobs and Growth Tax Relief Reconciliation Act of 2003, P.L. 108-27, (the "2003 Act") increased the first year federal depreciation deduction for certain qualified property to 50%.

The New York Liberty Zone generally encompasses an area of the borough of Manhattan below Canal Street. "Qualified property" (as defined in IRC §168(k)(2)) generally includes certain personal property acquired after September 10, 2001 and before January 1, 2005 and placed in service after September 10, 2001 and before January 1, 2005 or 2006 in certain circumstances. The 2003 Act modified the definition of "qualified property" to provide that to qualify for the 50% deduction, the property must be acquired after May 5, 2003 and before January 1, 2005 and placed into service before January 1, 2005 or 2006 in certain circumstances. "Qualified New York Liberty Zone property" (as defined in IRC §1400L(b)(2)) generally includes the same types of personal property if used substantially in the New York Liberty Zone in connection with the active conduct of a trade or business in the New York Liberty Zone where the original use began with the taxpayer in the Liberty Zone after September 10, 2001. It also includes certain real prop-

GENERAL INFORMATION

The Job Creation and Worker Assistance Act of 2002, P.L. 107-147, (the "Act") allows taxpayers an additional 30 percent depreciation deduction in the first year "qualified property" is placed in service. The Act allows a similar additional 30 percent first-year depreciation deduction for "qualified New York Liberty Zone property" and allows "qualified New York Liberty Zone leasehold improvements" to be depreciated over a five-year period using a straight-line method. The Act also allows an additional first-year expense deduction of up to \$35,000 for "qualified New York Liberty Zone property" under IRC §179 in addition to the otherwise allowable deduction. The Jobs and Growth Tax Relief Reconciliation Act of 2003, P.L. 108-27, (the "2003 Act") increased the first year federal depreciation deduction for certain qualified property to 50%.

The New York Liberty Zone generally encompasses an area of the borough of Manhattan below Canal Street. "Qualified property" (as defined in IRC §168(k)(2)) generally includes certain personal property acquired after September 10, 2001 and before January 1, 2005 and placed in service after September 10, 2001 and before January 1, 2005 or 2006 in certain circumstances. The 2003 Act modified the definition of "qualified property" to provide that to qualify for the 50% deduction, the property must be acquired after May 5, 2003 and before January 1, 2005 and placed into service before January 1, 2005 or 2006 in certain circumstances. "Qualified New York Liberty Zone property" (as defined in IRC §1400L(b)(2)) generally includes the same types of personal property if used substantially in the New York Liberty Zone in connection with the active conduct of a trade or business in the New York Liberty Zone where the original use began with the taxpayer in the Liberty Zone after September 10, 2001. It also includes certain real prop-

GENERAL INFORMATION

The Job Creation and Worker Assistance Act of 2002, P.L. 107-147, (the "Act") allows taxpayers an additional 30 percent depreciation deduction in the first year "qualified property" is placed in service. The Act allows a similar additional 30 percent first-year depreciation deduction for "qualified New York Liberty Zone property" and allows "qualified New York Liberty Zone leasehold improvements" to be depreciated over a five-year period using a straight-line method. The Act also allows an additional first-year expense deduction of up to \$35,000 for "qualified New York Liberty Zone property" under IRC §179 in addition to the otherwise allowable deduction. The Jobs and Growth Tax Relief Reconciliation Act of 2003, P.L. 108-27, (the "2003 Act") increased the first year federal depreciation deduction for certain qualified property to 50%.

The New York Liberty Zone generally encompasses an area of the borough of Manhattan below Canal Street. "Qualified property" (as defined in IRC §168(k)(2)) generally includes certain personal property acquired after September 10, 2001 and before January 1, 2005 and placed in service after September 10, 2001 and before January 1, 2005 or 2006 in certain circumstances. The 2003 Act modified the definition of "qualified property" to provide that to qualify for the 50% deduction, the property must be acquired after May 5, 2003 and before January 1, 2005 and placed into service before January 1, 2005 or 2006 in certain circumstances. "Qualified New York Liberty Zone property" (as defined in IRC §1400L(b)(2)) generally includes the same types of personal property if used substantially in the New York Liberty Zone in connection with the active conduct of a trade or business in the New York Liberty Zone where the original use began with the taxpayer in the Liberty Zone after September 10, 2001. It also includes certain real prop-

INSTRUCTIONS

GENERAL INFORMATION

Section 11-604(21) of the New York City Administrative Code provides a refundable biotechnology credit with respect to the General Corporation Tax for tax years beginning on or after January 1, 2010 and before January 1, 2019 to certain emerging technology companies for certain costs and expenses incurred. Section 11-654(21) of the New York City Administrative Code provides a corresponding refundable biotechnology credit with respect to the Business Corporation Tax for tax years beginning before January 1, 2019.

In order to qualify for the credit, the taxpayer must:

- meet the eligibility criteria as specified in the above Administrative Code sections and
- must have applied for the credit and received a Certificate of Tax Credit specifying the amount of credit the taxpayer is entitled to claim.

The Certificate of Tax Credit covering expenses incurred in calendar year 2017 will indicate the credit available for the tax year that includes December 31, 2017.

Example: Taxpayer A files on a fiscal year basis with a tax year beginning April 1, 2017 and ending March 31, 2018. A Certificate of Tax Credit issued on or before February 16, 2018 will indicate the credit that may be claimed on the return covering the tax year ending March 31, 2018.

SPECIFIC LINE INSTRUCTIONS

Line 1 - Enter the amount of the credit to which the taxpayer is entitled to claim as indicated on the Certificate of Tax Credit on Line 1 of this form.

Line 3 - Enter the total amounts of credits claimed on Form NYC-2, Sch. A, lines 5, 7, 8, 9 and 11 or Form NYC-2A, Sch. A, lines 7, 9, 10, 11 and 13; Form NYC-3L, Sch. A, lines 7, 9a, 9b, 10a and 10c or Form NYC-3A, Sch. A, lines 9, 11a, 11b, 12a and 12c.

This report must be filed by any corporation that has an officer, employee, agent, or representative in the City and claims not to be subject to the New York City General Corporation Tax or Business Corporation Tax. For taxable years beginning in 1996 and thereafter, entities taxable as corporations for federal income tax purposes under IRC §7701 (a) (3) and §7704 are considered corporations for purposes of the General Corporation Tax. A corporation subject to General Corporation Tax or Business Corporation Tax cannot use this form; it must file a General Corporation Tax return, Form NYC-4S, NYC-4S-EZ or NYC-3L or a Business Corporation Tax return, Form NYC-2 or NYC-2S. See "Corporations Subject to Tax" below. The filing of this form does not constitute the filing of a return by the corporation sufficient to start the running of the limitations period for assessments of tax. To obtain the protection of the limitations period, a General Corporation Tax return or Business Corporation Tax return must be properly filed. A corporation that has ceased doing business in the City during the taxable year cannot use this form. Such a corporation must file a final return or request an extension of time to file a final return on or before the 15th day after the date that the corporation ceases to be subject to the General Corporation Tax or Business Corporation Tax. See Form NYC-EXT and instructions for further information.

A corporation is not required to file this report if it falls under one of the following:

- the corporation is exempt from the General Corporation Tax under Section 11-603.4 or the Business Corporation Tax under Section 11-653(4) of the Administrative Code;
- 2) the corporation has received a letter from the Department of Finance exempting it from tax as a nonstock, nonprofit corporation (see instructions for line 5b below), provided there has been no change in its character, activities or federal tax status since the date of that letter;
- 3) the corporation's only tie with New York City is that one or more of the corporation's officers, employees, agents or representatives reside in the City or come into the City infrequently in connection with isolated transactions of the corporation;

- 4) the corporation is a Real Estate Mortgage Investment Conduit (REMIC); or
- 5) the corporation is exempt from Federal income tax under IRC section 501(c)(2) or (25).

WHEN TO FILE

Any S corporation required to file this report must do so annually, on or before March 15th if it reports on a calendar year basis for federal income tax purposes, or on or before the 15th day of the 3rd month following the close of its fiscal year if it reports on a fiscal year basis.

Any C corporation required to file this report must do so annually, on or before April 15th if it reports on a calendar year basis for federal income tax purposes, or on or before the 15th day of the 4th month following the close of its fiscal year if it reports on a fiscal year basis.

LINE 5b

Every corporation claiming exemption from General Corporation Tax or Business Corporation Tax as a nonstock, nonprofit corporation (except for corporations exempt from federal income tax under IRC Section 501(c)(2) and (25)) **must** apply for an exemption from the Department of Finance by submitting an application for exemption containing an affidavit setting forth the following information about the corporation:

- 1) the purposes for which it is organized,
- 2) its actual activities,
- 3) the source and disposition of its income,
- whether any of its income is credited to surplus or may inure to any private stockholder or individual, and
- 5) such other facts that may affect its right to exemption.

The affidavit must be supplemented by: a copy of the articles of incorporation or articles of association, a copy of the bylaws, copies of statements showing the corporation's assets and liabilities and receipts and disbursements for the most recent year, a photostatic copy of a letter from the United States Treasury Department granting the corporation an exemption from federal income taxation and photocopies of federal, state and

local tax returns filed by the organization for the three most recent preceding years.

All of the above information should be sent to:

NYC Department of Finance Exemption Processing Unit 59 Maiden Lane, 20th Floor New York, NY 10038

There is no prescribed application form and no application fee.

LINE 6

If you answer "yes" to any question other than 6h, the corporation may be subject to General Corporation Tax or Business Corporation Tax. See "Corporations Subject to Tax" for more information. Corporations subject to tax cannot use this form.

LINE 6g

If the answer to question 6g is "yes," state on a rider what activities take place elsewhere in New York State that do not also take place in New York City, or other reasons for filing a State Franchise Tax Report.

LINE 6i

If the answer is "yes," see section 11-04(b)(11) of Title 19 of the Rules of the City of New York for information regarding the application of P.L. 86-272 to activities in New York City.

CORPORATIONS SUBJECT TO TAX

A corporation subject to General Corporation Tax or Business Corporation Tax cannot use this form; it must file either Form NYC-4S, NYC-4S-EZ or NYC-3L (GCT) or Form NYC-2 or Form NYC-2S (Business Corporation Tax). Sections 11-603.1 and 11-653(1) of the Administrative Code provide that a corporation is subject to tax if it is:

- 1) doing business in New York City,
- 2) employing capital in New York City,
- owning or leasing property in New York City, in a corporate or organized capacity, or
- 4) maintaining an office in New York City.

The term "doing business" is used in a comprehensive sense and includes all activities

that occupy the time or labor of people for profit. Regardless of the nature of its activities, every corporation organized for profit and carrying out any of the purposes of its organization is deemed to be "doing business" for the purpose of the tax. In determining whether a corporation is doing business, it is immaterial whether its activities actually result in a profit or a loss.

Under the Business Corporation Tax applicable to federal C Corporations for tax years beginning on or after January 1, 2015, a corporation is doing business in the city if:

- (1) it has issued credit cards to one thousand or more customers who have a mailing address within the city as of the last day of its taxable year,
- (2) it has merchant customer contracts with merchants and the total number of locations covered by those contracts equals one thousand or more locations in the city to whom the corporation remitted payments for credit card transactions during the taxable year, or
- (3) the sum of the number of customers described in item #1 plus the number of locations covered by its contracts described in item #2 equals one thousand or more.

For purpose of these provisions, the term "credit card" includes bank, credit, travel and entertainment cards. See Administrative Code Section 11-653(1)(c).

The term "employing capital" includes any of a large variety of uses, which may overlap other categories and give rise to taxable status. In general, the use of assets instrumental in maintaining or aiding the corporate enterprise or activity in the City will create liability. Employing capital includes activities such as:

- a) maintaining stockpiles of raw materials or inventories; and
- b) maintaining securities in the City for trading purposes.

Under Sections 11-603.2 and 11-653(2) of the Administrative Code, a corporation is not considered to be doing business, employing capital, owning or leasing property, or maintaining an office in New York City by reason of:

- a) the maintenance of cash balances with banks or trust companies or brokers in the City;
- b) the ownership of shares of stock or securities kept in the City, if kept in a safe deposit box, safe, vault or other receptacle rented for the purpose, or if pledged as collateral security, or if deposited with one or more banks or trust companies, or brokers who are members of a recognized security exchange, in safekeeping or custody accounts;
- c) the taking of any action by any such bank or trust company or broker which is incidental to the rendering of safekeeping or custodial service to the corporation;
- d) the maintenance of an office in the City by one or more officers or directors of the corporation who are not employees of the corporation as long as the corporation is not otherwise doing business or employing capital in the City and does not own or lease property in the City;
- e) the keeping of books or records of a corporation in the City if the books or records are not kept by employees of the corporation and the corporation is not otherwise doing business or employing capital in the City and does not own or lease property in the City; or
- f) any combination of the foregoing activities.

In addition, a corporation will not be subject to the General Corporation Tax or Business Corporation Tax if its sole connection with New York City is:

- (i) the maintenance of a statutory office at the address of its registered agent or the maintenance of a mailing address; or
- (ii) the mere ownership of shares of stock of corporations doing business in the City.

Under Administrative Code Section 11-653(2-a), an alien corporation is not considered to be doing business, etc. in the City if its activities in the City are limited solely to investing or trading in stocks, securities or commodities for its own account within the meaning of the Internal Revenue Code \$864(b)(2)(A) or \$864(b)(2)(B).

For purposes of the Business Corporation Tax, an alien corporation that under any provision of the Internal Revenue Code is not treated as a "domestic corporation" as defined in IRC §7701 and has no effectively connected income for the taxable year pursuant to clause (iii) of the opening paragraph of Administrative Code §11-652(8) is not subject to the Business Corporation Tax for that taxable year. For purposes of the Business Corporation Tax, an alien corporation is defined as a corporation organized under the laws of a country, or any political subdivision thereof, other than the United States, or organized under the laws of a possession, territory or commonwealth of the United States. See Administrative Code Section 11-653(2-

NOTE: For additional guidance concerning what activities constitute "doing business," "employing capital," "owning or leasing property," and "maintaining an office" in New York City, see Sections 11-03 and 11-06 of Title 19 of the Rules of the City of New York. For additional information concerning corporations not subject to tax, see Section 11-04 of those rules and Administrative Code Sections 11-603 and 11-653.

REFUNDS: If a corporation has previously paid tax or made estimated tax payments for the taxable year and is filing this form disclaiming liability for those taxes, the corporation should file a refund claim and attach this form to that claim.
