PURPOSE - A completed Form NYC-579-EIN provides documentation that an ERO has been authorized to electronically file the Unincorporated Business Tax return or other report. The fiduciary for the estate or trust may designate the ERO to electronically sign the return or other report by entering the fiduciary's personal identification number (PIN). The form also authorizes payment of tax due on an electronically submitted return or report by an automatic clearing house (ACH) debit from a designated checking or savings account of the estate or trust. **You cannot revoke this authorization.**

GENERAL INSTRUCTIONS

Part A - Part A must be completed by the taxpayer before the ERO transmits the electronically filed Form NYC-202EIN (Unincorporated Business Tax Return for Estates and Trusts); NYC-EXT (Application for 6-Month Extension to File Business Income Tax Return); or NYC-5UBTI (Declaration of Estimated Unincorporated Business Tax for Individuals. Estates and Trusts).

EROs/paid preparers must complete Part B prior to transmitting electronically filed unincorporated business tax returns or reports (Forms NYC-202EIN, NYC-EXT or NYC-5UBTI). Both the paid preparer and the ERO are required to sign Part B. However, if an individual performs as both the paid preparer and the ERO, he or she is only required to sign as the paid preparer. It is not necessary to include the ERO signature in this case.

Do not mail Form NYC-579-EIN to the Department of Finance. The EROs/paid preparers must keep the completed Form NYC-579-EIN for three years from the due date of the return or report or the date the return or report was filed, whichever is later, and must present it to the Department of Finance upon request.
