Speed Cameras Save Lives!

- New York City's expanded speed camera law is now in effect.
- The law will allow NYC to issue speed camera violations 24 hours a day, 7 days a week, year-round. NYC DOT is authorized to operate speed cameras in 750 school speed zones.
- Drivers who drive 25 MPH or slower are better able to avoid crashes. Pedestrians struck at 30 MPH are twice as likely to die as pedestrians struck at 25 MPH.
