Payments may be made on the NYC Department of Finance website at [nyc.gov/eservices](https://nyc.gov/eservices), or via check or money order. If paying with check or money order, do not include these payments with your New York City return. Checks and money orders must be accompanied by payment voucher form NYC-200V and sent to the address on the voucher. Form NYC-200V must be postmarked by the return due date to avoid late payment penalties and interest. See form NYC-200V for more information.

**GENERAL INFORMATION****WHO MUST FILE**

If you became an employee of the City of New York on or after January 4, 1973, and if, while so employed, you were a nonresident of the City during any part of 2024, you are subject to Section 1127 of the New York City Charter and must file Form NYC-1127.

If you are subject to that law, you are required to pay to the City an amount by which a City personal income tax on residents, computed and determined as if you were a resident of the City, exceeds the amount of any City tax liability computed and reported by you on the City portion of your 2024 New York State tax return.

**NOTE:** The payment required by Section 1127 of the New York City Charter is not a payment of any City tax, but is a payment made to the City as a condition of employment. If you are subject to the filing requirements of the City Resident Income Tax during any part of 2024, you must file tax returns with the New York State Department of Taxation and Finance in the manner and at the time provided in the instructions for the State tax forms, regardless of any obligation you may have under Section 1127 of the Charter.

In this case, when submitting Form NYC-1127, attach a copy of the letter or other document evidencing the granting of the extension.

If you file a State tax return or amended return and the information reported on your original Form NYC-1127 is changed or corrected as a result of the later filing of the State tax return or amended return, you must file an amended Form NYC-1127 with the New York City Department of Finance, Section 1127 Unit.

**CHANGE OF RESIDENCE**

If you were a resident of the City of New York during part of 2024 and a nonresident subject to the provisions of Section 1127 of the New York City Charter during all or part of the remainder of 2024, you must file a Form NYC-1127 for all of the year except any part when you were a nonresi-

dent not employed by the City.

**Preparer Authorization:** If you want to allow the Department of Finance to discuss your return with the paid preparer who signed it, you must check the "yes" box in the signature area of the return. This authorization applies only to the individual whose sig-

**NOTE:** If you file a joint Federal tax return but elect to exclude a spouse's income, see the special computation Schedule A on the back of this form and use Filing Status C.

If you contributed to a New York State Charitable Gifts Trust Fund, claim a New York State itemized deduction for that contribution, and the period of your NYC employment encompassed the full year, enter on line 1 the amount that you would have entered on line 47 of Form IT-201 (see the instructions to line 47 of Form IT-201 including the worksheet). If you contributed to a New York State Charitable Gifts Trust Fund, claim a New York State itemized deduction for that contribution and the period of your NYC employment encompassed part of the year, enter on line 1 the amount from line 47 of Form IT-360.1 calculated as if the period of employment is the period of NYC residence.
