## INSTRUCTIONS

A corporation subject to the Business Corporation Tax that is a partner in a partnership that is subject to the Unincorporated Business Tax (UBT) may claim a credit against its liability if the corporation is required to include its distributive share of the income, gain, loss and deductions of, or guaranteed payments from, the partnership in its own tax base.

### SCHEDULE A

Taxpayers liable for the tax on entire net income should fill out lines 1 through 6 of Schedule A. Taxpayers liable for the tax on capital or for the minimum tax should fill out lines 1 through 3 of Schedule A.

#### LINE 1

Enter on line 1 the amount from Schedule B, line 10. If you are claiming credits with respect to more than one partnership, add the amounts on line 10 on all attached Schedules B and enter the sum on this line.

#### LINE 2

Before completing Schedule A, line 2, you must have completed Schedule C, Column A.

#### LINE 5

To account for the difference in tax rates between the Unincorporated Business Tax and the Business Corporation Tax, multiply line 4 by a fraction, the numerator of which is 4 and the denominator of which is the tax rate reported on Schedule B, line 37 of Form NYC-2 or Form NYC-2A.

### SCHEDULE B

The UBT paid credit may be "taken" only by a corporation in a year that it is actually liable for tax on the entire net income base. However, the UBT Paid Credit is "allowed" to corporations regardless of the basis on which they are liable for business corporation tax. The credit that is "allowed" is always calculated as if the taxpayer were on the entire net income basis. The difference between the credit that is "allowed" and the credit that may be "taken" is eligible to be carried forward for up to seven years (see instructions for Schedule C.) The UBT Paid Credit does not alter the basis upon which a taxpayer must pay tax (e.g., on the basis of the business income base, capital base, or minimum tax) even if the credit reduces the tax liability below the liability calculated on another basis.

#### LINE 2

If the distributing partnership has taken credits on its own Form NYC-204, line 20 and lines 22a through 22g, enter on line 2 the sum of such credits but only to the extent that they do not reduce the distributing partnership's unincorporated business tax below zero. The amount entered on line 2 may not exceed the amount on Schedule A, line 19, of the distributing partnership's Form NYC-204.

#### LINE 4

Enter here the percentage of total distributive shares reported for you in column I of Schedule C of the distributing partnership's Form NYC-204. Attach a copy of the distributing partnership's Form NYC-204, Schedule C. Attach taxpayer's K-1 from the distributing partnership.

#### LINE 6

If your answer to **ALL** of the following questions is "no", enter on line 6 the amount from your Form NYC-2 or 2A, Schedule A, line 1.

- Did you (or in the case of a combined report, any of the corporations included in the report) claim a PNOL or an NOL deduction on line 33 or line 35 of Schedule B of Form NYC-2 or Form NYC-2A for this taxable year?
- Was the sum of your distributive share of income, gain, loss, and deductions of, and guaranteed payments from, any unincorporated business less than zero (a "net loss distributive share")?
- Was your business income less than zero before taking into account any distributive share or guaranteed payments from any partnerships, or any NOL deduction ("separate business income")?

If your answer to **ANY** of these questions is yes, you must fill out a modified Form NYC-2 or NYC-2A on which you make the following adjustments:

- Do not take into account any NOL carry-forward or carryback;
- treat all net loss distributive shares as zero (see question 2); and
- if your separate business income is less than zero, treat it as zero (see question 3).

Enter on line 6 the amount from the above described modified Form NYC-2 or NYC-2A, Schedule A, line 1. ("modified Business Corporation Tax liability.") Attach modified Form NYC-2 or NYC-2A.

#### LINE 7

If your answer to **ALL** three questions in the instructions for line 6 is "no", fill out a pro forma Form NYC-2 or NYC-2A in which you calculate your Business Corporation Tax liability on the business income base without taking into account your distributive share of income, gain, loss and deductions of, or guaranteed payments from, the distributing partnership with regard to which you are claiming a credit on this form. Enter on line 7 the amount from the pro forma Form NYC-2 or NYC-2A, Schedule A, line 1. Attach pro forma Form NYC-2 or NYC-2A.

If your answer to **ANY** of the three questions in the instructions for line 6 is "yes", fill out a modified pro forma Form NYC-2 or NYC-2A, taking into account the modifications required at a, b, and c of the instructions for line 6 above and recalculating your modified Business Corporation Tax liability on the business income base without taking into account your distributive share of income, gain, loss and deductions of, or guaranteed payments from, the distributing partnership with regard to which you are claiming a credit on this form. Enter on line 7 the amount from the modified pro forma Form NYC-2 or NYC-2A, Schedule A, line 1. Attach modified pro-forma Form NYC-2 or NYC-2A.

#### LINE 9

To account for the difference in tax rates between the Unincorporated Business Tax and the Business Corporation Tax, multiply line 8 by a fraction, the numerator of which is 4 and the denominator of which is the tax rate reported on Schedule B, line 37 of Form NYC-2 or Form NYC-2A.
