Checks and money orders must be accompanied by payment voucher form NYC-200V and sent to the address on the voucher. GENERAL INFORMATION

HIGHLIGHTS OF LEGISLATION

For tax periods beginning on or after January 1, 2009, Utility Tax refunds may be claimed up to three years from the time the return is filed or two years from the time the tax is paid, the same as the period applying to refunds of General Corporation Tax, Business Corporation Tax, the Unincorporated Business Tax, and the Bank Tax. Administrative Code section 11-1108(a), as amended by Chapter 201 of the Laws of 2009, section 35.

Beginning January 1, 2006, metered sales of energy to tenants of certain cooperative housing corporations are exempted from the City utility tax. The exemption applies to cooperative corporations with at least 1,500 apartments that own or operate a cogeneration facility that was in place before January 1, 2004 (or that replaces such a facility), and that make metered sales of the energy produced for the development's tenants or occupants. See Ad. Code §§11-1101.25, 11-1101.26 and 11-1102(g). A return must still be filed by the cooperative corporation using a tax rate of zero.

For information concerning the Relocation Employment Assistance Program (REAP) see the Department of Finance website at:

<http://www1.nyc.gov/site/finance/benefits/business-reap.page>

Effective for tax periods beginning on and after August 1, 2002, entities that receive eighty percent or more of their gross receipts from charges for the provision of mobile telecommunications services to customers will be taxed as if they were regulated utilities for purposes of the New York City Utility Tax, General Corporation Tax, Business Corporation Tax, Banking Corporation Tax and Unincorporated Business Tax. Thus, such entities will be subject to only the New York City Utility Tax. The amount of gross income subject to tax has been amended to conform to the Federal Mobile Telecommunications Sourcing Act of 2000. In addition, if any such entity is a partnership, its partners will not be subject to the New York City Utility Tax on their distributive share of the income of any such entity. Finally, for tax years beginning on and after August 1, 2002, partners in any such entity will not be subject to General Corporation Tax, Business Corporation Tax, Banking Corporation Tax or Unincorporated Business Tax on their distributive share of the income of any such entity. Chapter 93, Part C, of the Laws of New York, 2002.

NOTE: There have been substantial changes to the Energy Cost Savings Program. For information, call (212) 513-6345.
