GENERAL INFORMATION

Upon request, the Commissioner of Finance may grant an additional three-month extension of time to file a return when good cause exists.

A corporation with a valid six-month automatic extension is limited to two additional extensions.

A separate request on Form NYC-6.1 will be required for each additional three-month extension.

REQUIREMENTS

The requirements for granting an additional three-month extension of time, in addition to good cause, are:

- This application must be filed before the expiration of the previous extension.
- 2. A **valid** application for an automatic extension must have been filed on

Form NYC-6 (Application for Automatic Extension) or Form NYC-6F (Application for Extension to File Final Return).

The requirements for a valid automatic extension are:

- The application, along with any estimated tax due, must be filed on or before the due date of the return for the taxable period for which the extension is requested.
- The total tax paid on or before the date such application is filed must be either:
 - a) not less than the tax shown on the return for the preceding taxable year of 12 months;

- or -

b) not less than 90% of the tax as finally determined.

If you do not meet these requirements, your original extension and any

additional extension will not be valid and you may have to pay interest and penalties from the original due date of your return.

COMBINED RETURN GROUPS

A combined group must file a single application form for an additional extension. Use the Employer Identification Number of the "parent" (the group member paying the combined tax) when completing page 1.

Caution

An additional extension of time to file your federal tax return or New York State Franchise Tax Return does not extend the filing date of your New York City tax return.
