ARTICLE III

Ownership Interest

SECTION 3.01. Ownership. On the initial closing date under the 1998 Purchase Agreement and simultaneously with the first transfer of any tax liens to the Trust pursuant to the 1998 Purchase Agreement, the Seller became the Owner of the Ownership Interest, and became the beneficial owner of the Trust.

SECTION 3.02. Restrictions on Transfers. Beneficial interests in the Trust can be transferred only to New York State or any agency thereof, any agency or borough of the City, or any entity delivering to the Paying Agent a certification that its ownership of such interests would not cause the Trust to be unable to qualify as an entity described in Section 115 of the Code; provided that, for so long as the City is required to comply with Regulation RR, beneficial interests in the Trust can be transferred only to a Majority-Owned Affiliate of the City; provided, further, if the City ceases to be required to comply with Regulation RR, the Owner shall promptly notify the Issuer Trustee thereof in writing. A transfer of the Ownership Interest to a trust that is treated as a “grantor trust” that is wholly-owned by the transferor, in each case, for U.S. federal income tax purposes, shall be permitted, notwithstanding the immediately preceding sentence.

SECTION 3.03. Register of Ownership Interest. No certificate evidencing the ownership of the Ownership Interest shall be issued. The Issuer Trustee shall reflect on the books and records of the Trust the name and address of the Owner, which shall serve as conclusive evidence of the ownership of the Ownership Interest. Upon any transfer of or succession to the Ownership Interest, the Issuer Trustee shall reflect on the books and records of the Trust the name and address of the new owner of the Ownership Interest. The books and records of the Trust shall be conclusive as to the identity of the record ownership of the Ownership Interest for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and the Issuer Trustee shall not be affected by notice to the contrary.

ARTICLE IV

Certain Rights of Owner

SECTION 4.01. Prior Notice to Owner with Respect to Certain Matters. With respect to the following matters, the Issuer Trustee shall take action only in accordance with written instructions from the Owner or, if before the taking of such action, the Issuer Trustee shall have notified the Owner in writing of the proposed action (which notice shall refer to this Section of the Agreement and shall specify that failure to respond shall be deemed a withholding of consent) and the Owner shall have notified the Issuer Trustee in writing prior to the 30th day after such notice is given that the Owner has consented to:

(a) the initiation of any claim or lawsuit by the Trust (except claims or lawsuits brought pursuant to, or in accordance with the Basic Documents, in connection with the collection of the Tax Liens) and the compromise of any action, claim or lawsuit brought by or against the Trust (except with respect to the aforementioned claims or lawsuits for collection of the Tax Liens); or

(b) the election by the Trust to file an amendment to the Certificate of Trust (unless such amendment is required to be filed under the Statutory Trust Act, in which case the Issuer Trustee is hereby authorized to execute and file such amendment).

SECTION 4.02. Consent by Owner with Respect to Certain Matters.

(a) Except at the direction of the Owner, the Issuer Trustee shall not have the power to sell any assets of the Trust including, without limitation, Tax Liens, REO Property or Risk-Retained Bonds. The Issuer Trustee shall take the actions referred to in the preceding sentence only upon written instructions signed by the Owner.

(b) Upon its receipt of written instructions from the Owner to transfer to the Owner any assets of the Trust identified in such instructions including, without limitation, Tax Liens, REO Property and Risk-Retained Bonds, the Issuer Trustee shall transfer to the Owner such designated Trust assets; *provided, however*, that the Owner shall not instruct the Issuer Trustee to make transfers to the Owner of assets of the Trust more frequently than once every calendar quarter, and *provided further* that such instructions shall include confirmation by the Owner that the aggregate amount of funds on deposit in the Distribution Account, the Collection Account and the Working Capital Reserve Fund together with the value of any remaining Tax Liens, after any such transfer, shall be not less than the Working Capital Reserve Requirement.

SECTION 4.03. Action by Owner with Respect to Bankruptcy. It is the intention of the parties hereto that the Trust not constitute a “business trust” within the meaning of Title 11 of the United States Code entitled “Bankruptcy,” and that the Trust not have the benefit of the provisions thereof. If notwithstanding the foregoing intention the Trust is able to take advantage of any bankruptcy or insolvency statute, the Issuer Trustee shall not have the power or authority to commence a voluntary proceeding in bankruptcy relating to the Trust without determining that the Trust is unable to pay its debts when and as they become due and receiving an independent confirmation from a nationally recognized investment banking firm to such effect.

SECTION 4.04. Restrictions on Owner’s Power. The Owner shall not direct the Issuer Trustee to take or to refrain from taking any action if such action or inaction would be contrary to any obligation of the Trust or the Issuer Trustee under this Agreement or any of the Basic Documents or would be contrary to Section 2.03 or Section 2.05, nor shall the Issuer Trustee be obligated to follow any such direction, if given, or determine if any direction by the Owner complies with or violates this Section 4.04.

SECTION 4.05. Owner’s Instruction.

(a) The Issuer Trustee shall not be required to take any action hereunder or under any Basic Document if the Issuer Trustee shall have reasonably determined, or shall have been advised by counsel, that such action is likely to result in liability on the part of the Issuer Trustee or is contrary to the terms hereof or of any Basic Document or is otherwise contrary to law.

(b) In the event that the Issuer Trustee is unable to decide between alternative courses of action permitted or required by, or is unsure as to the application of, any provision of this

Agreement or any Basic Document, or any such provision is ambiguous as to its application, or is, or appears to be, in conflict with any other applicable provision, or in the event that this Agreement permits any determination by the Issuer Trustee or is silent or is incomplete as to the course of action that the Issuer Trustee is required to take with respect to a particular set of facts, the Issuer Trustee may give notice (in such form as shall be appropriate under the circumstances) to the Owner requesting instruction and, to the extent that the Issuer Trustee acts or refrains from acting in good faith in accordance with any such instruction received, the Issuer Trustee shall not be liable, on account of such action or inaction, to any Person. If the Issuer Trustee shall not have received appropriate instruction within 10 days of such notice (or within such shorter period of time as reasonably may be specified in such notice or may be necessary under the circumstances) it may, but shall be under no duty to, take or refrain from taking such action as it shall deem to be in the best interests of the Owner, and shall have no liability to any Person for such action or inaction.

SECTION 4.06. The Authorized Financial Officer of the Owner. So long as the City shall be the Owner, the Authorized Financial Officer of the Owner shall have and exercise all rights and responsibilities of the Owner hereunder, including the right to give and receive instructions and notices.

ARTICLE V

Application of Trust Funds; Certain Duties

SECTION 5.01. Establishment of Trust Account.

(a) The Issuer Trustee has established and shall maintain in the name of the Trust an Eligible Deposit Account known as the NYCTL 1998-2 Trust Distribution Account (the “Distribution Account”), bearing an additional designation clearly indicating that the funds deposited therein are held for the benefit of the Trust.

(b) The Trust shall possess all right, title and interest in all funds on deposit from time to time in the Distribution Account and in all proceeds thereof. Except as otherwise expressly provided herein, the Distribution Account shall be under the sole dominion and control of the Issuer Trustee. If, at any time, the Distribution Account ceases to be an Eligible Deposit Account, the Issuer Trustee shall within 10 Business Days (or such longer period, not to exceed 30 calendar days) establish a new Distribution Account as an Eligible Deposit Account and shall transfer any cash and/or any investments to such new Distribution Account.

SECTION 5.02. Appointment of Paying Agent. The Paying Agent shall make distributions to the Owner from the Distribution Account pursuant to Section 5.03 and shall report the amounts of such distributions to the Issuer Trustee. Any Paying Agent shall have the revocable power to withdraw funds from the Distribution Account for the purpose of making the distributions

referred to above. The Issuer Trustee may revoke such power and remove the Paying Agent if the Issuer Trustee determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Agreement in any material respect. The Paying Agent shall initially be the Issuer Trustee. The Issuer Trustee shall be permitted to resign as Paying Agent upon thirty (30) days' written notice to the Issuer Trustee. In the event that the Issuer Trustee shall no longer be the Paying Agent, the Issuer Trustee on behalf of the Trust shall appoint a successor to act as Paying Agent (which shall be a bank or trust company). The Issuer Trustee shall cause such successor Paying Agent to execute and deliver to the Trust an instrument in which such successor Paying Agent shall agree with the Trust that, as Paying Agent, such successor Paying Agent will hold all sums, if any, held by it for payment to the Owner in trust for the benefit of the Owner until such sums shall be paid to the Owner. All of the rights and protections provided to the Issuer Trustee under this Agreement shall continue to apply to the Issuer Trustee also in its role as Paying Agent, for so long as the Issuer Trustee shall act as Paying Agent and, to the extent applicable, the provisions of Sections 7.01, 7.03, 7.04 and 8.01 affording rights and protections to the Issuer Trustee shall apply to any other paying agent appointed hereunder.

SECTION 5.03. Application of Trust Funds. All moneys received by the Issuer Trustee in respect of the Trust Estate and not held pursuant to the Paying Agent and Custody Agreement shall be deposited in the Distribution Account and distributed to the Owner in accordance with Section 2.06. The Owner shall have the ability to direct the Issuer Trustee with respect to all matters relating to the Trust, including the dissolution and termination of the Trust pursuant to Section 9.01 of this Agreement.

SECTION 5.04. Method of Payment. Any distributions required to be made to the Owner pursuant to Sections 5.03 and 9.01 shall be made to the Owner either by wire transfer, in immediately available funds, to the account of the Owner at a bank or other entity having appropriate facilities therefor, if the Owner shall have provided to the Paying Agent appropriate written instructions at least five Business Days prior to distribution or, if not, by check mailed to the Owner at the address specified in Section 11.04.

SECTION 5.05. No Segregation of Moneys; No Interest. Subject to Sections 5.01 and 5.02, moneys received by the Issuer Trustee or the Paying Agent hereunder need not be segregated in any manner except to the extent required by law and may be deposited under such general conditions as may be prescribed by law, and neither the Issuer Trustee nor the Paying Agent shall be liable for any interest thereon.

SECTION 5.06. Accounting and Reports.

(a) The Issuer Trustee shall (i) maintain (or cause to be maintained) the books of the Trust on a fiscal year basis, with a fiscal (and taxable year, if a corporation) ending June 30 and using the accrual method of accounting, (ii) cause to be filed such tax returns relating to the Trust

and make such elections as directed in writing by the Owner as required or appropriate from time to time under any applicable state or federal statute or any rule or regulation thereunder so as to maintain the Trust's characterization as a grantor trust for federal income tax purposes and (iii) cause such tax returns to be signed in the manner required by law.

(b) The Issuer Trustee shall satisfy its obligations with respect to this Section and Section 7.03 by retaining, at the expense of the Trust, a firm of independent public accountants or other Person (the "Accountants") which shall perform the obligations of the Issuer Trustee under this Section and Section 7.03. The Accountants will provide a letter in form and substance satisfactory to the Issuer Trustee and the Owner, agreeing to perform such obligations. The Issuer Trustee shall be deemed to have discharged its obligations pursuant to this Section and Section 7.03 upon its retention of the Accountants, and the Issuer Trustee shall not have any obligation to supervise or monitor, or any liability with respect to the default or misconduct of, the Accountants.

ARTICLE VI

Authority and Duties of Issuer Trustee

SECTION 6.01. General Authority. Notwithstanding anything to the contrary herein, (a) the Issuer Trustee is authorized and directed to execute and deliver the Basic Documents to which the Trust is or becomes a party, and each certificate, instrument, receipt, document and other writing in connection therewith, in each case, in such form as is furnished to the Issuer Trustee from time to time by or on behalf of the Owner or the Owner's counsel, and (b) the Issuer Trustee is authorized, but shall not be obligated, to take all actions required of the Trust pursuant to the Basic Documents.

SECTION 6.02. General Duties. It shall be the duty of the Issuer Trustee to discharge (or cause to be discharged) all of its responsibilities pursuant to the terms of this Agreement and to administer the Trust in the interest of the Owner in accordance with the provisions of this Agreement.

SECTION 6.03. No Duties Except as Specified in this Agreement or in Instructions. The Issuer Trustee shall not have any duty or obligation to manage, make any payment with respect to, register, record, sell, dispose of, or otherwise deal with the Trust Estate, or to otherwise take or refrain from taking any action under, or in connection with, any document contemplated hereby to which the Issuer Trustee is a party, except as expressly provided by the terms of this Agreement or in any document or written instruction received by the Issuer Trustee pursuant to Article IV; and no implied duties or obligations shall be read into this Agreement or any Basic Document against the Issuer Trustee. The Issuer Trustee shall have no responsibility for filing any financing or continuation statement in any public office at any time or to otherwise perfect or maintain the perfection of any security interest or lien or to prepare or file any Securities and Exchange

Commission filing for the Trust or to record this Agreement or any Basic Document. The Issuer Trustee nevertheless agrees that it will, at its own cost and expense, promptly take all action as may be necessary to discharge any liens on any part of the Trust Estate that result from actions by, or claims against, the Issuer Trustee that are not related to the ownership or the administration of the Trust Estate.

SECTION 6.04. No Action Except Under Specified Documents or Instructions. The Issuer Trustee shall not manage, control, use, sell, dispose of or otherwise deal with any part of the Trust Estate except (i) in accordance with the powers granted to and the authority conferred upon the Issuer Trustee pursuant to this Agreement and (ii) in accordance with any document or instruction delivered to the Issuer Trustee pursuant to Article IV.

SECTION 6.05. Restrictions. The Issuer Trustee shall not take any action (a) that is inconsistent with the purposes of the Trust set forth in Section 2.05 or (b) that, to the actual knowledge of a Responsible Officer of the Issuer Trustee, would result in the Trust being treated as an association or other entity taxable as a corporation for U.S. federal income tax purposes, other than an organization the entire income of which is excluded from gross income under Section 115 of the Code. The Owner shall not direct the Issuer Trustee to take action that would violate the provisions of this Section.

ARTICLE VII

Concerning the Issuer Trustee

SECTION 7.01. Acceptance of Trusts and Duties. The Issuer Trustee accepts the trusts hereby created and agrees to perform its duties hereunder with respect to such trusts but only upon the terms of this Agreement. The Issuer Trustee also agrees to disburse all moneys actually received by it constituting part of the Trust Estate upon the terms of this Agreement and to disburse all moneys actually received by it in respect of a Transferred PACE Charge Lien upon the terms of the applicable PACE Charge Lien Transfer Agreement. It is expressly understood and agreed that (i) any Person having any claim against the Issuer Trustee or the Trust by reason of the transactions contemplated in this Agreement or in any Basic Document shall have recourse solely against the assets of the Trust, and (ii) under no circumstances shall Wilmington Trust in its individual capacity or in its capacity as Issuer Trustee be liable for the payment of any indebtedness, costs or expenses of the Issuer Trustee or the Trust or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Issuer Trustee or the Trust in this Agreement or any Basic Document or otherwise; provided, however, that this limitation on liability shall not protect Wilmington Trust against any liability to the Owner to which it would otherwise be subject by reason of (x) its willful misconduct or gross negligence in the performance of its duties under this Agreement or (y) the inaccuracy of any representation

or warranty contained in Section 7.05 hereof expressly made by Wilmington Trust. In particular, but not by way of limitation (and subject to the exceptions set forth in the preceding sentence):

(a) the Issuer Trustee shall not be liable for any error of judgment made by an officer of the Issuer Trustee;

(b) the Issuer Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the instructions of the Owner;

(c) no provision of this Agreement or any Basic Document shall require the Issuer Trustee to expend or risk funds or otherwise incur any financial liability in the performance of any of its rights or powers hereunder or under any Basic Document if the Issuer Trustee shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to it;

(d) under no circumstances shall the Issuer Trustee be liable for indebtedness evidenced by or arising under any of the Basic Documents;

(e) the Issuer Trustee shall not be responsible for or in respect of the validity or sufficiency of this Agreement or for the form, character, genuineness, sufficiency, value or validity of any of the Trust Estate, or for or in respect of the validity or sufficiency of the Basic Documents, and the Issuer Trustee shall in no event assume or incur any liability, duty, or obligation, other than as expressly provided for herein, to the Owner;

(f) the Issuer Trustee shall have no obligation and shall not be liable for the default or misconduct of, or for monitoring or supervising, or for ensuring compliance by, the Owner, the Seller, the Trust, the Bank or the Servicer under any of the Basic Documents or otherwise and the Issuer Trustee shall have no obligation or liability to perform the obligations of the Trust under this Agreement or the Basic Documents that are delegated to or required to be performed by any other Person under the Basic Documents; and

(g) the Issuer Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement, or to institute, conduct or defend any litigation under this Agreement or otherwise or in relation to this Agreement or any Basic Document, at the request, order or direction of the Owner or any other Person, unless the Issuer Trustee receives security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities that may be incurred by the Issuer Trustee therein or thereby. The right of the Issuer Trustee to perform any discretionary act enumerated in this Agreement or in any Basic Document shall not be construed as a duty, and the Issuer Trustee shall not be answerable to the Owner for other than its gross negligence or willful misconduct in the performance of any such act.

SECTION 7.02. Furnishing of Documents. The Issuer Trustee shall furnish to the Owner promptly upon receipt of a written request therefor, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and any other instruments received by the Issuer Trustee under the Basic Documents.

SECTION 7.03. Tax Returns and Information Returns. The Issuer Trustee shall prepare or cause to be prepared, signed and filed, all tax returns, including all applicable statements or schedules thereto, on behalf of the Trust (including, without limitation, federal and state income tax returns). To the extent required by law, the Issuer Trustee shall prepare, or cause to be prepared, the applicable federal, state or local information returns with respect to the Trust and all applicable statements or schedules thereto, and shall file or cause to be filed with the Internal Revenue Service or applicable state or local authorities and furnish to the Owner such information returns, statements and schedules at the time and in the manner required by the Code or applicable state or local law.

SECTION 7.04. Books and Records. The Issuer Trustee shall maintain, in the name of the Trust, all of the books and financial records of the Trust, including the Distribution Account.

SECTION 7.05. Representations and Warranties. Wilmington Trust Company hereby represents and warrants to the Owner, that:

(a) it is a trust company duly organized and validly existing in good standing under the laws of the State of Delaware. It has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement.

(b) it has taken all corporate action necessary to authorize the execution and delivery by it of this Agreement, and this Agreement will be executed and delivered by one of its officers who is duly authorized to execute and deliver this Agreement on its behalf.

(c) neither the execution nor the delivery by it of this Agreement, nor the consummation by it of the transactions contemplated hereby nor compliance by it with any of the terms or provisions hereof will contravene any federal or Delaware law, governmental rule or regulation governing the banking or trust powers of the Issuer Trustee or any judgment or order binding on it, or constitute any default under its charter documents or bylaws or any indenture, mortgage, contract, agreement or instrument to which it is a party or by which any of its properties may be bound.

(d) on the date of this Agreement, it will have adequate capital to carry on its business and will be able to pay anticipated liabilities as and when they become due.

SECTION 7.06. Covenants. The Issuer Trustee hereby covenants to the Owner that:

(a) it will observe all applicable corporate or trust procedures and formalities; representatives, employees and agents of the Trust will hold themselves out to third parties as being representatives of the Trust and not representatives of the Owner;

(b) it will, through its officers and directors, act independently and in the best interests of the Trust and will conduct the Trust's business functions and operations and will manage the Trust's assets so as to fulfill the fiduciary and contractual obligations owed to the Trust and the Owner under this Agreement; and

(c) it will not take any action that is inconsistent with any of the terms or provisions of this Agreement and that would give (i) any future creditor of either Wilmington Trust Company, in its individual capacity, or the Owner cause to believe mistakenly that any obligation to such creditor incurred by Wilmington Trust Company or the Owner would be not only the obligation of Wilmington Trust Company or the Owner, but also of the Trust, or (ii) any future creditor of either Wilmington Trust Company or the Owner cause to believe mistakenly that Wilmington Trust Company and the Owner were not or would not continue to remain separate and distinct from the Trust.

SECTION 7.07. Reliance; Advice of Counsel.

(a) The Issuer Trustee shall incur no liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond, or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. The Issuer Trustee may accept a certified copy of a resolution of the board of directors or other governing body of any party as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the method of the determination of which is not specifically prescribed herein, the Issuer Trustee may for all purposes hereof rely on a certificate, signed by any Authorized Financial Officer of the Owner or by the president or any vice president or by the treasurer or other authorized officer of the relevant party, as to such fact or matter and such certificate shall constitute full protection to the Issuer Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(b) In the exercise or administration of the trusts hereunder and in the performance of its duties and obligations under this Agreement or the Basic Documents, the Issuer Trustee (i) may act directly or through its agents or attorneys pursuant to agreements entered into with any of them, and the Issuer Trustee shall not be liable for the conduct or misconduct of such agents or attorneys if such agents or attorneys shall have been selected by the Issuer Trustee in good faith, and (ii) may consult with counsel, accountants and other skilled persons to be selected in good faith and employed by it, and the Issuer Trustee shall not be liable for anything done, suffered or omitted in

The Issuer Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity and enforceability of any Tax Lien, or the perfection and priority of any security interest created by any Tax Lien or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of the Trust Estate or its ability to generate the payments to be distributed to the Owner under this Agreement, including, without limitation: the existence, condition and ownership of any Tax Lien; the existence and enforceability of any insurance thereon; the existence and contents of any Tax Lien on any computer or other record thereof; the validity of the assignment of any Tax Lien to or by the Trust or of any intervening assignment; the completeness of any Tax Lien; the performance or enforcement of any Tax Lien; the compliance by the Owner, the Trust, the Seller or the Servicer with any warranty or representation made under any Basic Document or in any related document or the accuracy of any such warranty or representation, or any action of the Bank or the Servicer or any subservicer taken in the name of the Issuer Trustee or the Trust.

SECTION 7.10. Issuer Trustee May Deal with the Owner, the Bank, the Servicer and the PACE Program Administrator. Wilmington Trust Company may deal with the Owner, the Bank, the Servicer and the PACE Program Administrator in banking transactions with the same rights and in the same manner as it would have if it were not Issuer Trustee.

ARTICLE VIII

SECTION 8.01. Issuer Trustee's Fees and Expenses. The Issuer Trustee shall receive as compensation for its services hereunder such fees as have been separately agreed upon with the Owner in a letter agreement between the Owner and Wilmington Trust Company (the "Fee Agreement"), and the Issuer Trustee shall be entitled to be reimbursed from the Owner for its other reasonable expenses hereunder ("Expenses") pursuant to the terms of the Fee Agreement, including the reasonable compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Issuer Trustee may employ in connection with the exercise and performance of its rights and its duties hereunder.

SECTION 8.02. Payments to the Issuer Trustee. Any amounts paid to the Issuer Trustee or Wilmington Trust Company pursuant to this Article VIII, the Fee Agreement, Section 4.02 of the Purchase Agreements or the Assigned Purchase Agreements or Sections 3.06, 3.07 or 3.08 of one or more of the PACE Charge Lien Transfer Agreements shall at no time be included in the Trust Estate.

SECTION 8.03. Lien to Secure Payment. The Issuer Trustee shall have the right to set off and deduct the amount due (as determined by the Issuer Trustee in good faith) to it or Wilmington Trust Company pursuant to this Article VIII, the Fee Agreement, Section 4.02 of the Purchase Agreements or the Assigned Purchase Agreements or Sections 3.06, 3.07 or 3.08 of one or more of the PACE Charge Lien Transfer Agreements from the Distribution Account; and the Issuer Trustee and Wilmington Trust are hereby granted and shall be deemed to have a lien on, and a security interest in, the Trust Estate, to the extent of any such amounts from time to time due and unpaid, which lien shall be senior to any interest of the Owner. The provisions of this Article VIII shall survive the termination of the Trust or this Agreement and shall survive the resignation or removal of the Issuer Trustee.

SECTION 8.04. Indemnification. To the fullest extent permitted by law, the Trust and the Owner, jointly and severally, (i) hereby indemnify, defend and hold harmless Wilmington Trust Company, in its individual capacity and as Issuer Trustee, and its respective officers, directors, employees and agents (each an “Indemnified Person”) from and against any and all costs, expenses, losses, claims, damages and liabilities (collectively, “Losses”) arising out of or incurred in connection with this Agreement or any of the Basic Documents or the transactions contemplated thereby, except to the extent that the Indemnified Person’s Losses are due to the willful misfeasance, bad faith or negligence of such Indemnified Person, and (ii) agree to advance to each such Indemnified Person Expenses incurred by such Indemnified Person in defending any claim, demand, action, suit or proceeding upon receipt by the indemnitor of an unsecured undertaking, by or on behalf of such Indemnified Person, to repay such amount if it shall ultimately and finally be determined by a court of competent jurisdiction that such Indemnified Person is not entitled to be indemnified therefor under this Section 8.04.

ARTICLE IX

representatives to claim an accounting or to take any action or proceeding in any court for a partition or winding up of all or any part of the Trust or Trust Estate or (z) otherwise affect the rights, obligations and liabilities of the parties hereto. No creditor of the Owner shall obtain legal title to or exercise legal or equitable remedies with respect to the Trust Estate as a result of the Owner holding a beneficial interest in the Trust.

Upon such filing becoming effective, the Trust and, except as otherwise provided herein, this Agreement shall be terminated.

ARTICLE X

Successor Issuer Trustees and Additional Issuer Trustees

SECTION 10.01. Eligibility Requirements for Issuer Trustee. The Issuer Trustee shall at all times be a corporation satisfying the provisions of Section 3807(a) of the Statutory Trust Act; authorized to exercise corporate trust powers; having a combined capital and surplus of at least \$50,000,000 (or whose obligations hereunder are guaranteed by a bank or trust company authorized to exercise corporate trust powers and subject to examination by Federal or state authority, of good standing and having a combined capital and surplus aggregating at least such amount) and subject to supervision or examination by federal or state authorities; and not affiliated directly or indirectly with the Owner (provided, that Wilmington Trust may serve in trustee, fiduciary or other capacities in transactions involving the Owner, affiliates of the Owner, or trusts or other special purpose entities established by the Owner) or involved in the organization of the Owner. If such corporation shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purpose of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Issuer Trustee shall cease to be eligible in accordance with the provisions of this Section, the Issuer Trustee shall resign immediately in the manner and with the effect specified in Section 10.02.

SECTION 10.02. Resignation or Removal of Issuer Trustee.

(a) The Issuer Trustee may at any time resign and be discharged from the trusts hereby created by giving written notice thereof to the Owner. Upon receiving such notice of resignation, the Owner shall promptly appoint a successor Issuer Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Issuer Trustee and one copy to the successor Issuer Trustee. If no successor Issuer Trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning Issuer Trustee may petition any court of competent jurisdiction for the appointment of a successor Issuer Trustee.

(b) If at any time the Issuer Trustee shall cease to be eligible in accordance with the provisions of Section 10.01 and shall fail to resign after written request therefor, or if at any time the Issuer Trustee shall be legally unable to act, or shall be adjudged bankrupt or insolvent, or a receiver of the Issuer Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Issuer Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Owner may remove the Issuer Trustee; provided, however, that there shall not have occurred or then be existing a default by the Owner in this Agreement or any other Basic Document. If the Owner shall remove the Issuer Trustee under the authority of the immediately preceding sentence, the Owner shall promptly appoint a successor Issuer Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the outgoing Issuer Trustee so removed and one copy to the successor Issuer Trustee.

(c) In addition to (a) and (b) above, the Owner may remove the Issuer Trustee at any time with or without cause; provided, however, that there shall not have occurred or then be existing a default by the Owner under this Agreement or any Basic Document.

(d) Any resignation or removal of the Issuer Trustee and appointment of a successor Issuer Trustee pursuant to any of the provisions of this Section shall not become effective until acceptance of appointment by the successor Issuer Trustee pursuant to Section 10.03 and payment of all fees, expenses and other amounts owed to the outgoing Issuer Trustee hereunder or in connection herewith.

SECTION 10.03. Successor Issuer Trustee.

(a) Any successor Issuer Trustee appointed pursuant to Section 10.02 shall execute, acknowledge and deliver to the Owner and to its predecessor Issuer Trustee an instrument accepting such appointment under this Agreement, and thereupon the resignation or removal of the predecessor Issuer Trustee shall become effective, and such successor Issuer Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with like effect as if originally named as Issuer Trustee. The predecessor Issuer Trustee shall, upon payment of its fees, expenses and other amounts owed to it hereunder or in connection herewith, deliver to the successor Issuer Trustee all

documents and statements and monies held by it under this Agreement; and the Owner and the predecessor Issuer Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Issuer Trustee all such rights, powers, duties and obligations.

(b) No successor Issuer Trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor Issuer Trustee shall be eligible pursuant to Section 10.01.

(c) Upon acceptance of appointment by a successor Issuer Trustee pursuant to this Section, the successor Issuer Trustee shall mail notice thereof to the Indenture Trustee and the Bank.

SECTION 10.04. Merger or Consolidation of Issuer Trustee. Any Person into which the Issuer Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Issuer Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business or municipal trust and agency business of the Issuer Trustee, shall be the successor of the Issuer Trustee hereunder, without the execution or filing of any instrument or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that such Person shall be eligible pursuant to Section 10.01.

SECTION 10.05. Appointment of Co-Issuer Trustee or Separate Issuer Trustee.

(a) Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate or any Tax Lien may at the time be located, the Owner and the Issuer Trustee acting jointly shall have the power and may execute and deliver all instruments to appoint one or more Persons approved by the Owner and Issuer Trustee to act as co-trustee, jointly with the Issuer Trustee, or as separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person, in such capacity, such title to the Trust Estate or any part thereof and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Owner and the Issuer Trustee may consider necessary or desirable. If the Owner shall not have joined in such appointment within 15 days after the receipt by it of a request so to do, the Issuer Trustee shall have the power, acting alone, to make such appointment. No co-trustee or separate trustee under this Agreement shall be required to meet the terms of eligibility as a successor Issuer Trustee pursuant to Section 10.01 and no notice of the appointment of any co-trustee or separate trustee shall be required pursuant to Section 10.03.

(b) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties, and obligations conferred or imposed upon the Issuer Trustee shall be conferred upon and exercised or performed by the Issuer Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Issuer Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Issuer Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Issuer Trustee;

(ii) no trustee under this Agreement shall be personally liable by reason of any act or omission of any other trustee under this Agreement; and

(iii) the Owner and the Issuer Trustee acting jointly may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Issuer Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Issuer Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Issuer Trustee. Each such instrument shall be filed with the Issuer Trustee and a copy thereof given to the Owner.

(d) Any separate trustee or co-trustee may at any time appoint the Issuer Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Issuer Trustee, to the extent permitted by law, without the appointment of a new or successor co-trustee or separate trustee.

ARTICLE XI

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.06. Separate Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.
