- 5. "State"** Any state of the United States and the District of Columbia.

### **REQUIREMENTS FOR FILING**

Every foreign and alien insurer is required, pursuant to the provisions of Title 11, Chapter 9 of the NYC Administrative Code, to pay to the Department of Finance on or before March 1 following the close of the previous tax year (January 1 to December 31) the amount of 2% of net New York City premiums (all New York City premiums, less return premiums) received or written from January 1 to December 31 for any insurance against loss or damage by fire on real or personal property in the City of New York (including that portion of fire premiums in automobile and multiple peril

policies which insures against loss or damage by fire) and to file with the Department of Finance, at the time of paying the tax, a verified report setting forth the net New York City premiums upon which the tax is payable.

If no premiums were received during the tax year, a letter to that effect, signed by an official of the insurer, is to be submitted.
